A Terrorist's Call to Global Jihad: Deciphering Abu Musab al-Suri's Islamic Jihad Manifesto From Brand: Naval Institute Press

The U.S. counterintelligence community identifies Abu Musab al-Suri as the most important theorist of the global Islamic jihad and considers his manifesto to be the most important strategic document produced by al Qaida or any jihadi organization in more than a decade. But to Americans his 1,600-page manuscript largely consists of incomprehensible, impenetrable Islamic scholarship. With this publication, defense analyst Jim Lacey delivers a meaningful distillation of al-Suri's *Call to Global Islamic Jihad*, a work that has been called the *Mein Kampf* of the movement. This project is sponsored by the United States Joint Forces Command.
