Blood In Blood Out: The Violent Empire of the Aryan Brotherhood By John Lee Brook

From the dead centre of the enormous American penitentiary system, the Aryan Brotherhood was the lion that somehow seized control of the city as well as the zoo, steadily coming to dominate the billion dollar methamphetamine industry that permeates America's urban sprawl. They outsmarted and out-muscled everyone that tried to stand in their way, including the FBI, who have discovered that even solitary confinement is incapable of suffocating the tactical machinations of its cabal of psychopathic leaders.

Bound together by a code of violence and silence, for years the Brotherhood has remained an impenetrable and unstoppable force. Until now. Blood In Blood Out is the first book to give the full inside story of its incredible rise to power. In witty, entertaining prose, ex-convict John Lee Brook draws on his unique access to many of the founding members of the Brotherhood, to tell the full secret story in unflinching, fascinating detail. Thanks to its surprisingly light and memorable writing, Blood In Blood Out breaks the bounds of its genre, opening up the fascinating Brotherhood to any passing interest.

Editorial Review

Review

"The most ferocious and notorious of any of the prison groups is the Aryan Brotherhood." -- FBI

About the Author

John Lee Brook is a former priest and a convicted felon. While in jail, he came in contact with many different gangs, including Nortenos, Surenos, Joe Boyz, Nazi Low Riders, Crips, Bloods, and the Aryan Brotherhood. Currently working under a pseudonym for his own protection, he releases this controversial book, the first of its kind.

Users Review

From reader reviews:

Nathaniel Gonzalez:

What do you think about book? It is just for students since they're still students or it for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't need do that.
