Bulldog Drummond: The Carl Peterson Quartet (Tales of Mystery & the Supernatural) By Sapper

Demobilised officer, finding peace incredibly tedious would welcome diversion. Legitimate if possible; but crime, of a comparatively humorous description, no objection. Excitement essential.

Bulldog Drummond was the original daredevil adventurer who, with his various friends, made it their mission to fight all enemies of Britain in the uncertain years following the First World War. Fearless, resourceful and debonair, Drummond could easily have been the father of James Bond. In the first four novels of the series, Bulldog Drummond, The Black Gang, The Third Round, The Final Count, all of which are contained within this volume, Hugh Drummond finds himself pitting his wits against Carl Peterson, a criminal genius with an insatiable passion for power and world domination. He has the great facility of disguise and his chameleon appearances are one of the joys of these thrilling tales. Peterson's constant companion is the sinister but beautiful Irma.

The Drummond books are exciting page-turning adventures for grown up boys and girls.

Editorial Review

About the Author

'Sapper' is the pen name of Herman Cyril McNeile, born in 1888 at the Naval Prison in Bodmin, Cornwall, where his father was Governor. He served in the Royal Engineers (popularly known as 'sappers') from 1907-19, being awarded the Military Cross during World War 1. He started writing in France, adopting the pen name because serving officers were not allowed to write under their own names. When his first stories, about life in the trenches, were published in 1915 they were an enormous success. But it was his first thriller, Bulldog Drummond (1920) that launched him as one of the most popular novelists of his generation. It had several amazingly successful sequels, including The Black Gang, The Third Round and The Final Count. Another great success was Jim Maitland (1923), featuring a footloose English sahib in foreign lands. Sapper published nearly thirty books in total, and a vast public mourned his death when he died in 1937, at the early age of forty-eight.
