**Children's wear fashion illustration resource book: children's figure drawing templates with fashion design sketches (Fashion croquis) (Volume 1)** By Irina V Ivanova

### **Illustrate your children's wear project with ease, style and accuracy!**

This book shows how to draw children's wear without having to learn figure drawing.

The book includes all you need to get your project done. Use figure templates and sketching examples from the book to complete your project.

Let's get started:

1. select a template from variety of age groups and movements
2. place a paper over it and
3. sketch your children's wear idea.

### **It is the most efficient way to have your project done!**

The book shows how to sketch on a figure and how to turn a sketch into a completed illustration.

Choose a figure for your project from the selection of age groups and body movements. There are sets of ready to use figures for 0- 1, 1-3, 4-6 and 7-10 years old children. The templates in the book designed to show apparel from any sides with various poses and movements.

Book combines visuals of garment details with basic terminology as written captions. Such "visual dictionary" component enhances the book's usefulness as a designer's reference resource.

All drawings in the book were illustrated with the simple pencil. Sketch illustrations show original roughness and spontaneity. This "sketchbook" style is instructive and visual. In every illustration, you can see traces of the creative process. Some "step by step process" tutorials are included reinforcing instructional value the book.

**Fashion sketching with the book is less stressful and create a smooth designer's workflow. Drawing children's fashion illustration becomes fun and accurate when using Children's Wear Fashion Illustration resource book by Irina V. Ivanova**
