Ida Lupino: Beyond the Camera By Ida Lupino, Mary Ann Anderson

Ida Lupino did not want to be an actress; composing and writing were her major interests. Ida branched out into film directing and producing in 1949, becoming one of two women to enter the male-dominated field. While her feature films were primarily aimed at female audiences, on television Ida Lupino quickly became known for her skill at directing westerns, mysteries and detective dramas - shows aimed at male viewers and many featuring all-male casts. "No one ever asked me to direct a love story," she said. About the Author Mary Ann Anderson has had a varied and extensive career in the world of show business. She was exposed to the entertainment industry early on as the daughter of Emily McLaughlin, who played nurse Jesse Brewer for more than 25 years in ABC's General Hospital. As an author, Mary Ann has published Portrait of a Soap Star: The Emily McLaughlin Story. Mary Ann served as conservator for Ida Lupino, the actress and director, from 1984 to 1995. Many Brentwood residents who lived on Old Oak Lane recall the time Miss Lupino set her mailbox on fire. She also delighted in watering her lawn and the neighbors - not the neighbors' lawns, but the neighbors! Through her association with Miss Lupino, Mary Ann met many other legends of "Old Hollywood," such as Olivia de Havilland, Joan Fontaine, Barbara Hale and Marie Windsor. Mary Ann has been instrumental in bringing the stories of Ida Lupino to A&E's Biography and Jeffrey Hunter to E!'s Mysteries and Scandals, by researching, writing and appearing in them. She also worked on the Ida Lupino Paper Doll Book, released by Paper Studio Press.

From reader reviews:

Jules Thompson:

As people who live in often the modest era should be change about what going on or information even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know which one you should start with. This Ida Lupino: Beyond the Camera is our recommendation so you keep up with the world. Why, as this book serves what you want and want in this era.

Scott Roche:

Reading a guide can be one of a lot of exercise that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a publication will give you a lot of new facts. When you read a book you will get new information because book is one of a number of ways to share the information or their idea. Second, studying a book will make anyone more imaginative. When you reading through a book especially fiction book the author will bring one to imagine the story how the personas do it anything. Third, you may share your knowledge to other folks. When you read this Ida Lupino: Beyond the Camera, it is possible to tells your family, friends and also soon about yours reserve. Your knowledge can inspire different ones, make them reading a e-book.

Deanna Nance:

This Ida Lupino: Beyond the Camera is great guide for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. That book reveal it facts accurately using great plan word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having Ida Lupino: Beyond the Camera in your hand like getting the world in your arm, facts in it is not ridiculous one particular. We can say that no e-book that offer you world inside ten or fifteen second right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Joseph Kidwell:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or

real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Ida Lupino: Beyond the Camera can make you sense more interested to read.
