

# McGraw-Hill Specialty Review: Obstetrics & Gynecology: Cases, Questions, and Answers (McGraw-Hill Specialty Board Review)

By Ricardo Azziz

**McGraw-Hill Specialty Review: Obstetrics & Gynecology: Cases, Questions, and Answers (McGraw-Hill Specialty Board Review) By Ricardo Azziz**

**The ultimate case-based review of OB/GYN-ideal for exam prep and clinical reference**

#### **4 STAR DOODY'S REVIEW!**

"In a busy field like obstetrics/gynecology, this book provides a useful review of relevant topics in vignette fashion. It offers excellent references at the end of each vignette to more critically review topics as well. Excellent for CREOGs or board review."--*Doody's Review Service*

Using a unique “vignette & question” format at the core of a case conference, this one-of-a-kind resource expertly explains clinical and educational concepts—each selected for their relevance for clinical practice and preparation for any test you may face. After a brief, illustrated clinical presentation (one or two figures per vignette), the authors “work through” the diagnosis and management of a particular case, answering questions as they go. Supporting this real-world, bedside perspective are appropriate references for all of the evidence-based answers, plus brief explanations that call attention to key concepts and information.

#### ***Obstetrics & Gynecology features:***

And much more
