Pride and Prejudice and Zombies: Dreadfully Ever After By Steve Hockensmith

Pride and Prejudice and Zombies and its prequel, *Dawn of the Dreadfuls*, were both *New York Times* best sellers, with a combined 1.3 million copies in print. Now the PPZ trilogy comes to a thrilling conclusion with *Pride and Prejudice and Zombies: Dreadfully Ever After*.

The story opens with our newly married protagonists, Elizabeth and Fitzwilliam Darcy, defending their village from an army of flesh-eating “unmentionables.” But the honeymoon has barely begun when poor Mr. Darcy is nipped by a rampaging dreadful. Elizabeth knows the proper course of action is to promptly behead her husband (and then burn the corpse, just to be safe). But when she learns of a miracle antidote under development in London, she realizes there may be one last chance to save her true love—and for everyone to live happily ever after.

Editorial Review

Review

"*Dreadfully Ever After* is a masterpiece of parody and wit. The parlance is brilliant; Austen's framework is a perfect foil for Hockensmith's sharp, clever vernacular. The humor is subtle at times, and rollicking at others, especially if you find humor in graphic mutilation, tastefully accomplished. Not a page passes without an ingenious phrase, insight or creative decapitation. Possibly an improvement over the original, *Dreadfully Ever After* is not a superficial reworking of a classic for easy laughs; the entire novel is rich in social, racial and gender commentary, as well as a genuine page-turner... *Dreadfully Ever After* (and the *Pride and Prejudice and Zombies* series) is surprising and unique, a real delight for fans of any level of horror."
--Fangoria

"A must-read for fans." --BooklistOnline

About the Author

Steve Hockensmith is the author of the "Holmes on the Range" mysteries starring Sherlock Holmes-loving cowboys "Big Red" and "Old Red" Amlingmeyer. The first book in the series was a finalist for the Edgar, Shamus, Anthony and Dilys Awards, and the fourth, *The Crack in the Lens*, was a finalist for the Nero. Hockensmith's next novel, an occult-themed mystery, will be released by Quirk Books in early 2013. Before turning his attention to books, Hockensmith was a prolific writer of short fiction. His mystery stories were nominated for nearly every major award in the field (including the Anthony, Shamus, Barry, Macavity and Derringer) and appeared in several year's best anthologies. He is not an egomaniac, no matter what this bio might make you think.

Users Review

From reader reviews:

Julia Hayes:

Do you one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this specific aren't like that. This *Pride and Prejudice and Zombies: Dreadfully Ever After* book is readable by you who hate the perfect word style.
