### Winter Trees By Sylvia Plath

The poems in this collection were all written in the last nine months of Sylvia Plath's life, and form part of a group from which the Ariel poems were chosen. Her radio play 'Three Women', also included here, was written slightly earlier, in the transitional period of *The Colossus* and *Ariel*.

'A book that anyone seriously interested in poetry now must have . . . Sylvia Plath's immense gift is evident throughout.' Martin Dodsworth in the *Guardian*

### Editorial Review

#### About the Author

Sylvia Plath (1932-63) was born in Boston, Massachusetts, and studied at Smith College. In 1955 she went to Cambridge University on a Fulbright scholarship, where she met and later married Ted Hughes. She published one collection of poems in her lifetime, *The Colossus* (1960), and a novel, *The Bell Jar* (1963). Her *Collected Poems*, which contains her poetry written from 1956 until her death, was published in 1981 and was awarded the Pulitzer Prize for poetry.

### Users Review

#### From reader reviews:

##### David Boggs:

What do you concentrate on book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby for each and every other. Don't to be obligated someone or something that they don't desire do that. You must know how great and important the book *Winter Trees*. All type of book are you able to see on many solutions. You can look for the internet options or other social media.

##### Clarence Hamm:

Reading a reserve tends to be new life style within this era globalization. With looking at you can get a lot of information that will give you benefit in your life. With book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or maybe their experience. Not only the storyline that share in the guides. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this *Winter Trees*.

##### Jonathan Hickman:

Your reading 6th sense will not betray a person, why because this *Winter Trees* reserve written by well-known writer whose to say well how to make book that could be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and creating skill only for eliminate your current hunger then you still doubt *Winter Trees* as good book not simply by the cover but also by the content. This is one reserve that can break don't determine book by its handle, so do you still needing a different sixth sense to pick this specific!?! Oh come on your reading sixth sense already alerted you so why you have to listening to one more sixth sense.

**William Jones:**

Reading a book to become new life style in this 12 months; every people loves to read a book. When you go through a book you can get a great deal of benefit. When you read books, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. In order to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, as well as soon. The Winter Trees will give you a new experience in reading through a book.
