**Concise English-Chinese Chinese-English Dictionary** By Martin H. Manser, Oxford

This new edition of the *Oxford Concise English-Chinese Chinese-English Dictionary* has been extensively revised and updated to reflect the most recent developments in English and Chinese. An ideal tool for study, the dictionary now provides authoritative coverage of over 26,000 words and phrases from every major field of reference, including science and technology, in addition to core general vocabulary. Simplified and orthodox Chinese characters are used throughout the dictionary, and thousands of examples illustrate and expand on how and when a word can be used. Also including a guide to the most commonly used radicals and an additional key to the pronunciation of Chinese, this dictionary is an indispensable reference tool.
