### Her Daughter's Dream (Marta's Legacy Book 2) By Francine Rivers

In the dramatic conclusion to the *New York Times* best seller *Her Mother's Hope*, Francine Rivers delivers a rich and deeply moving story about the silent sorrows that can tear a family apart and the grace and forgiveness that can heal even the deepest wounds.

Growing up isn't easy for little Carolyn Arundel. With her mother, Hildemara, quarantined to her room with tuberculosis, Carolyn forms a special bond with her oma Marta, who moves in to care for the household. But as tensions between Hildie and Marta escalate, Carolyn believes she is to blame. When Hildie returns to work and Marta leaves, Carolyn and her brother grow up as latchkey kids in a world gripped by the fear of the Cold War.

College offers Carolyn the chance to find herself, but a family tragedy shatters her newfound independence. Rather than return home, she cuts all ties and disappears into the heady counterculture of San Francisco. When she reemerges two years later, more lost than ever, she reluctantly turns to her family to help rebuild a life for her and her own daughter, May Flower Dawn.

Just like Carolyn, May Flower Dawn develops a closer bond with her grandmother, Hildie, than with her mother, causing yet another rift between generations. But as Dawn struggles to avoid the mistakes of those who went before her, she vows that somehow she will be a bridge between the women in her family rather than the wall that separates them forever.

Spanning from the 1950s to present day, *Her Daughter's Dream* is the emotional final chapter of an unforgettable family saga about the sacrifices every mother makes for her daughter—and the very nature of unconditional love.

## **Editorial Review**

From [Booklist](#)

Best-seller Rivers completes the five-generation Christian family saga she began in *Her Mother's Hope* (2010). It's 1951, and Hildemara is back in the hospital with recurring tuberculosis, so her mother Marta moves in to care for her grandchildren Charlie and Carolyn. Charlie is the light of their lives while Carolyn is neglected, with unfortunate consequences in her college years, including alcoholism and pregnancy. Single, unemployed, and with a baby to raise, Carolyn moves back home, where the past repeats itself. Her mother lays down the law for her daughter and takes over her granddaughter Dawn's care, selfishly arranging matters to suit herself and pushing Carolyn away, much as her mother had abused her. It isn't until Dawn is an adult, heavily pregnant and missing her beloved army husband, who is serving in Iraq, that she realizes how each new generation of women has hurt her forebears. With her stepfather and mother-in-law's help, Dawn resolves to stop the vicious cycle. The concluding book in Rivers' drama examines mother-daughter relationships in the context of faith, juxtaposed against a backdrop of world events. --Lynne Welch
