"Outperform your competition and enhance the quality of your life!"

International Bestseller-4,167,500 happy readers... and climbing

Special 30th Anniversary Edition w/online interactivity

Completely revised, updated, and expanded!

Based on the classic teachings and philosophy of the original "Lazy Man," the late Joe Karbo-and continuously updated by Richard G. Nixon-The Lazy Man's Way to Riches has helped millions of people over the last three decades become more successful both personally and professionally.

This special 30th Anniversary Edition of The Lazy Man's Way to Riches still contains all of the hard-won knowledge that made the original "Lazy Man" successful, both personally and professionally, but it also includes new material on just about every subject contained in the first edition, as well as important information you need to succeed in today's digital age.

The Lazy Man's Way to Riches Really Works . . . Here's Proof!

"Do the 'secrets' revealed in The Lazy Man's Way to Riches really work? This book helped me move from bankruptcy to becoming a self-made millionaire. Most books just don't deliver. The Lazy Man's Way to Riches is the exception. It's helped me and at least 100,000 others achieve success. I'm very grateful!"

"Want to get rich? Take my advice and follow his."  
-Seattle Times

"When I first read, The Lazy Man's Way to Riches, I was literally unemployed, undirected, and had no conception of what I wanted to do with my life. I followed your advice, and almost like magic, I became successful beyond my grandest expectations. Thank you for paving the way for the greatest opportunity I ever had."

Read enthusiastically by the author, this perky guide to career success digs into the emotional and social influences that keep us from our vocational destinies. The source book has been a self-published success for 29 of the 30 years it's been floating around, a phenomenon that is a tribute to the author's folksy insights and spirited suggestions. The inviting title is not hyperbole; remarkable things happen when we develop a vision and have faith that it can be expressed in the marketplace. The businesses he suggests tend to be Web-based sales ventures, and he offers a lot of snappy marketing ideas. With its many exercises and directives, this is well-organized career and business advice delivered by a genuine and knowledgeable author.
