Voyager (Outlander, Book 3) By Diana Gabaldon

NOW THE STARZ ORIGINAL SERIES *OUTLANDER*

In this rich, vibrant tale, Diana Gabaldon continues the story of Claire Randall and Jamie Fraser that began with the now-classic novel Outlander and continued in Dragonfly in Amber. Sweeping us from the battlefields of eighteenth-century Scotland to the exotic West Indies, Diana Gabaldon weaves magic once again in an exhilarating and utterly unforgettable novel.

VOYAGER

Their passionate encounter happened long ago by whatever measurement Claire Randall took. Two decades before, she had traveled back in time and into the arms of a gallant eighteenth-century Scot named Jamie Fraser. Then she returned to her own century to bear his child, believing him dead in the tragic battle of Culloden. Yet his memory has never lessened its hold on her . . . and her body still cries out for him in her dreams.

Then Claire discovers that Jamie survived. Torn between returning to him and staying with their daughter in her own era, Claire must choose her destiny. And as time and space come full circle, she must find the courage to face the passion and the pain awaiting her . . . the deadly intrigues raging in a divided Scotland . . . and the daring voyage into the dark unknown that can reunite—or forever doom—her timeless love.

Praise for *Voyager*

“*Voyager* is, frankly, an amazing read. An unusual mix of romance, suspense and history. . . . If you can put this huge tome down before dawn, you’re made of sterner stuff than I am.”—*Arizona Tribune*

“Rousing . . . audacious . . . exciting . . . Gabaldon masterfully weaves . . . flashbacks . . . crossing time periods with abandon but never losing track of the story.”—*Locus*

“Unconventional . . . memorable storytelling.”—*The Seattle Times*

BONUS: This edition contains an excerpt from Diana Gabaldon's Drums of Autumn.

Editorial Review

From Publishers Weekly

This triumphant conclusion to Gabaldon's time-travel trilogy was a PW bestseller.

Copyright 1994 Reed Business Information, Inc.

From Library Journal

Time traveler Claire Randall first encountered Jamie Fraser, the fiery 18th-century Scottish clansman, in *Outlander* (Delacorte, 1991). The lovers continued their relationship in the best-selling *Dragonfly in Amber* (Delacorte, 1992). Now, in *Voyager*, Claire decides to return to the 18th century to reunite with her beloved.

First printing: 60,000 copies.

From [Booklist](#)

The third of Gabaldon's novels featuring the time-traveling heroine Claire Randall covers her reunion with her twentieth-century husband, the birth of her daughter by eighteenth-century Scots clansman Jamie Fraser, and her training as a doctor. In due course, she feels driven to essay time traveling again, but reunion with Jamie takes place on the eve of Culloden. The pair's subsequent flight for life takes them to the West Indies and, finally, to a hair-raising shipwreck in the American colonies that hints there may be a fourth volume of Claire's adventures. Gabaldon handles the time-travel elements competently but subordinates them to classic historical romance--a big one, luxuriantly detailed and featuring highly appealing characters and an authentic feel to the background that speaks well of her research and writing. Recommended wherever *Outlander* and *A Dragonfly in Amber* found an audience. *Roland Green*

Users Review

From reader reviews:

Mary Deemer:

Throughout other case, little people like to read book *Voyager* (*Outlander*, Book 3). You can choose the best book if you'd prefer reading a book. Providing we know about how is important any book *Voyager* (*Outlander*, Book 3). You can add knowledge and of course you can around the world by way of a book. Absolutely right, because from book you can recognize everything! From your country right up until foreign or abroad you can be known. About simple issue until wonderful thing you could know that. In this era, we can easily open a book or searching by internet unit. It is called e-book. You can utilize it when you feel uninterested to go to the library. Let's read.

Jon Gonzalez:

This *Voyager* (*Outlander*, Book 3) book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is definitely information inside this guide incredible fresh, you will get data which is getting deeper you read a lot of information you will get. That *Voyager* (*Outlander*, Book 3) without we know teach the one who studying it become critical in thinking and analyzing. Don't end up being worry *Voyager* (*Outlander*, Book 3) can bring whenever you are and not make your bag space or bookshelves' come to be full because you can have it in the lovely laptop even telephone.

This Voyager (Outlander, Book 3) having fine arrangement in word as well as layout, so you will not feel uninterested in reading.

Lisa Yates:

Nowadays reading books be than want or need but also be a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want send more knowledge just go with education books but if you want truly feel happy read one along with theme for entertaining like comic or novel. The actual Voyager (Outlander, Book 3) is kind of reserve which is giving the reader erratic experience.

Karolyn Kaufman:

This Voyager (Outlander, Book 3) is brand-new way for you who has intense curiosity to look for some information as it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Voyager (Outlander, Book 3) can be the light food for yourself because the information inside this kind of book is easy to get simply by anyone. These books create itself in the form that is reachable by anyone, sure I mean in the e-book type. People who think that in reserve form make them feel tired even dizzy this book is the answer. So there isn't any in reading a book especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book kind for your better life as well as knowledge.
