What Do You Say After You Say Hello? The Psychology of Human Destiny

By M.D. Eric Berne

As a psychiatrist, Dr. Berne found that each person - under the powerful influence of his parents - writes in early childhood the script that will govern the general course of his life. *What Do You Say After You Say Hello?* demonstrates how life scripts get written, and how to find out what kind of script you have. If your script is a bad one, it shows you how to break out - so that you may begin at last to live a life of true freedom and fulfillment.
