Witness (Cold War Classics) By Whittaker Chambers

#1 New York Times bestseller for 13 consecutive weeks!

First published in 1952, *Witness* is the true story of Soviet spies in America and the trial that captivated a nation. Part literary effort, part philosophical treatise, this intriguing autobiography recounts the famous Alger Hiss case and reveals much more. Chambers' worldview and his belief that "man without mysticism is a monster" went on to help make political conservatism a national force.

Regnery History's Cold War Classics edition is the most comprehensive version of *Witness* ever published, featuring forewords collected from all previous editions, including discussions from luminaries William F. Buckley Jr., Robert D. Novak, Milton Hindus, and Alfred S. Regnery.

Editorial Review

Amazon.com Review

First published in 1952, *Witness* was at once a literary effort, a philosophical treatise, and a bestseller. Whittaker Chambers had just participated in America's trial of the century in which Chambers claimed that Alger Hiss, a full-standing member of the political establishment, was a spy for the Soviet Union. This poetic autobiography recounts the famous case, but also reveals much more. Chambers' worldview--e.g. "man without mysticism is a monster"--went on to help make political conservatism a national force.

Review

Whittaker Chambers has written one of the really significant American autobiographies...penetrating and terrible insights into America in the early twentieth century. -- *Arthur Schlesinger, Jr.*

Users Review

From reader reviews:

Charlene Rodriquez:

Precisely why? Because this *Witness (Cold War Classics)* is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the guide store hurriedly.

Timothy McKinney:
