Comparative Politics: An Introduction By Joseph Klesner Professor Mr.

Comparative Politics: A Global Introduction shows new students of world politics how the methods and concepts of comparative politics can lead them to ask critical questions to better understand the complex world around them. The majority of undergraduates in introductory comparative politics courses do not plan to pursue graduate education in political science nor embark upon careers as political scientists. Most hope to take part in public and perhaps international affairs as elected officials, civil servants, or engaged citizens. As such they will need to make countless decisions about public policy, including foreign policy, throughout their careers. Comparative Politics: A Global Introduction equips students to make better, more informed decisions. Central to that task are three important goals: (1) to introduce readers to the conceptual foundations of comparative politics, (2) to enhance their analytical and critical-thinking skills through an introduction to basic empirical techniques of political and social science, and (3) to promote their understanding of a wide range of countries and political leaders.

Editorial Review

Users Review

From reader reviews:

Merideth Davis:

Information is provisions for individuals to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider when those information which is in the former life are challenging to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen in you if you take Comparative Politics: An Introduction as the daily resource information.

Michael Scott:

This Comparative Politics: An Introduction is great book for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This particular book reveal it data accurately using great organize word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Comparative Politics: An Introduction in your hand like obtaining the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world with ten or fifteen small right but this e-book already do that. So , it is good reading book. Hello Mr. and Mrs. busy do you still doubt this?

Nancy Tandy:

Many people spending their time period by playing outside using friends, fun activity with family or just watching TV the entire day. You can have new activity to shell out your whole day by examining a book. Ugh, think reading a book really can hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Mobile phone. Like Comparative Politics: An Introduction which is having the e-book version. So , why not try out this book? Let's see.

Luis Morales:

Is it an individual who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Comparative Politics: An Introduction can be the answer, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this brand new era is common not a nerd activity. So what these books have than the others?
