Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation) By Hisao Kakehi, Ikuhiro Tamori, Lawrence Schourup

The lexicon of Japanese contains a large number of conventional mimetic words which vividly depict sounds, manners of action, states of mind etc. These words are notable for their distinctive syntactic properties, for the strikingly patterned way in which they exploit sound-symbolic correspondences, and for the copiousness of their use in conversation as well as in many written registers of Japanese. This dictionary is a comprehensive resource for linguists, language teachers, translators, and others who require detailed information about this important sector of the Japanese vocabulary. Examples created by the editors are accompanied by thousands of contextualized, referenced examples from published sources to illustrate the alternative meanings of each mimetic form. All examples appear in Japanese orthography, in romanization, and in English translation. Concise information is provided concerning the varieties of syntactic usage appropriate for each mimetic. An extensive English index facilitates comparison of English and Japanese vocabulary.

Users Review

From reader reviews:

Tonia Jensen:

Hey guys, do you really want to find a new book to see? Maybe the book with the title Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation) suitable to you? Often the book was written by well-known writers in this era. The actual book entitled Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation) is a single of several books that everyone reads now. This kind of book has inspired many men and women in the world. When you read this guide you will enter the new way of measuring that you never know ahead of. The author explained their plan in a simple way, and so all of people can easily comprehend the core of this e-book. This book will give you a large amount of information about this world now. So that you can see the represented of the world within this book.

Gertrude Call:

Reading a guide tends to be a new life style in this particular era of globalization. With reading through you can get a lot of information that can give you benefit in your life. With books everyone in this world can share their ideas. Guides can also inspire a lot of people. A great deal of authors can inspire their very own readers with their stories or their experiences. Not only the story plots that share in the textbooks, but also they write about advantages about something that you need illustration. How to get the good score on TOEFL, or how to teach your children, there are many kinds of books which exist now. The authors these days always try to improve their talent in writing, they also do some study before they write the book. One of them is this Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation).

Mary Barnett:

Playing with family within a park, coming to see the marine world or hanging out with good friends is something that usually you may have done when you have spare time, subsequently why you don't try matters that are really opposite from that. A single activity that makes you not feel tired but still relaxing, thrilling like on a roller coaster you have been riding on and with additional details. Even you love Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation), you could enjoy both. It is a good combination, right, you still need to miss it? What kind of hang-out type is it? Oh, it can happen in its mind hangout men. What? Still don't have it, oh come on it's referred to as reading friends.

Adriana Phillips:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Dictionary of Iconic Expressions in Japanese (Trends in Linguistics Documentation) can make you experience more interested to read.
