

Case Files Neurology (LANGE Case Files)

By Eugene Toy, Ericka Simpson, Milvia Pleitez, David Rosenfield, Ron Tintner

Case Files Neurology (LANGE Case Files) By Eugene Toy, Ericka Simpson, Milvia Pleitez, David Rosenfield, Ron Tintner

EXCEL in your neurology clerkship and on the USMLE Step 2 CK

"This book is extraordinary. The clinical cases are engaging and enjoyable to read, maximizing the absorption of valuable clinical information. I recommend this book to all medical students on clinical rotations."--Lance E. Davis, medical student, UT Southwestern Medical School

You need exposure to cases to pass the USMLE and shelf exams and that's exactly what this innovative resource offers. Written by experienced educators, *Case Files: Neurology* helps you think through diagnosis and management when confronting neurological clinical problems. 53 high-yield clinical cases focus on the core competencies for the neurology clerkship. Each case includes an extended discussion, definitions of key terms, clinical pearls, and USMLE-format review questions. It's an interactive learning system that helps you **learn** instead of just memorize.

Featuring:

- 53 neurology cases with complete discussions and review Q&A
- Clinical pearls highlight key points
- Primer on how to approach the patient
- Helps you learn in the context of real patients

Users Review

From reader reviews:

Cameron Trammell:

What do you think of book? It is just for students since they are still students or the idea for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great along with important the book Case Files Neurology (LANGE Case Files). All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Ena Clark:

Playing with family in a park, coming to see the ocean world or hanging out with buddies is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Case Files Neurology (LANGE Case Files), you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

Victor Parisi:

Your reading 6th sense will not betray an individual, why because this Case Files Neurology (LANGE Case Files) e-book written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your current hunger then you still question Case Files Neurology (LANGE Case Files) as good book not merely by the cover but also with the content. This is one e-book that can break don't determine book by its handle, so do you still needing one more sixth sense to pick this specific!? Oh come on your studying sixth sense already alerted you so why you have to listening to yet another sixth sense.

John Almanzar:

You will get this Case Files Neurology (LANGE Case Files) by go to the bookstore or Mall. Only viewing or reviewing it could possibly to be your solve problem if you get difficulties for ones knowledge. Kinds of this e-book are various. Not only through written or printed but can you enjoy this book by e-book. In the modern era just like now, you just looking by your local mobile phone and searching what their problem. Right now, choose your personal ways to get more information about your e-book. It is most important to arrange yourself to make your knowledge are still update. Let's try to choose appropriate ways for you.
