Cara Paulsen does not give up easily. A scientist and a single mother, she's used to fighting for what she wants, keeping a cool head, and doing whatever it takes to protect her daughter Janie. But "whatever it takes" has never before included a shotgun wedding to a dangerous-looking stranger with an attitude problem. . .

Or Else

Sure, the mysterious Talen says that he's there to protect Cara and Janie. He also says that he's a three-hundred-year-old vampire. Of course, the way he touches her, Cara might actually believe he's had that long to practice. . .

Editorial Review

From Publishers Weekly

Neither her empathic abilities nor her role as the single mother of psychic four-year-old Janie prepares plant physiologist Cara Paulsen for the intruder who claims to be kidnapping Cara and Janie for their own good. Janie assures Cara that Talen Kayrs really is trying to protect them from great danger, but Cara's skeptical, especially after learning that Talen is a vampire certain she's fated to be his mate. He insists they marry at once so Cara and Janie can be under the protection of his family. The mysterious enemy Kurjans covet women with special abilities and particularly want to get their hands on Janie. Cara wants to keep her daughter safe, but can she trust this domineering, sexy vampire? Debut author Zanetti bolsters this rather absurd setup with steamy scenes and some genuinely warm moments. Review

"Talented Rebecca Zanetti provides an entertaining engaging paranormal romance. Fast-paced, readers will appreciate the efforts of the hero and the mommy, who as they fall in love, risk their lives to keep her gifted toddler safe from a nasty group who has long term eugenic plans for young females with special skills."

From the Author

Thanks for checking out Fated, which is Book 1 in the Dark Protector series. Here's my favorite short blurb from the book:

Everything in her stilled, and even her heart may have stopped for a second. She lacked the focus to block the feelings coming from him now. "What else?" Her voice cracked.

"Both races are born male. Only. Our mates are human. And Cara," his voice dropped to a rumble, "you're mine."
