If You're Happy And You Know It! By Jane Cabrera

In Cabrera's version of the popular children's song, various animals demonstrate the motions for the many verses. Monkey claps his hands, elephant stamps his feet, while giraffe nods his head. Concluding pages have a Hollywood Square montage of all nine animals who all cry at once "If you're happy and you know it, shout... We are!" Cheerful painterly pictures in a kaleidoscope of colors enhance the jovial mood of the song. Appearance of brush strokes gives texture to the animals, and the large black font is easy to read.

PreS. As in *Over in the Meadow* (2000), Cabrera once again brings a popular traditional song to the youngest audience with bright, exuberant pictures of animals in action. In this interactive singing game, toddlers and preschoolers will clap their hands with the monkey; stamp their feet with the big, pink elephant; roar with the lion; kiss with the loving hippo and her baby; flap arms with the funny bird; and jump around with the big frog. Perfect for the lap-sit crowd, and the large, double-page spreads make this a winner for small groups as well. *Hazel Rochman*

Review

A menagerie of jungle critters engage in some foot-stomping, hand-clapping, rip-roaring sing-along fun that just begs for audience participation. Using the lyrics to the classic song, a sassy monkey invites readers to clap their hands to show it. A mammoth pink elephant encourages everyone to stamp their feet, a towering orange giraffe asks all to nod their heads and a feisty lion urges listeners to roar out loud. Each exuberant creature perfectly matches the activity it promotes, from the kissing hippos with their wide mouths to the jumping frog with his springy legs. Cabrera's primitive illustrations are big, bold and brilliant, allowing each action-packed animal to explode across a double-paged spread in riotous colors and abstract shapes that keep pace with the rhythmic lyrics. Guaranteed to get preschoolers (and maybe their sleepy caregivers) moving. (Picture book. 3-6) -Kirkus Reviews --Kirkus Reviews
