## Choosing Joy: The Secret of Living a Fully Christian Life By Dan Lord

*What is joy? Ask ten different people and you'll get ten different answers.*

Yet if you asked:

- a man who grew up fatherless and destitute in the slums of Atlanta
- a young widow who decided to bring a neglected garden back to life in spite of agonizing physical pain and a deeply wounded spirit
- or author Dan Lord himself, ex-frontman for a popular indie rock band each would point to the one source of their joy: Jesus. They made the choice for joy, against all odds, and so can you, though the obstacles might seem insurmountable. Worry and anxiety, pain and suffering, the daily grind--all these and more can block your path. When faced with such challenges, is it possible to get past the barriers, let go, and experience God's joy? When you look around, you might wonder--although joy is a fruit of the Spirit, it doesn't seem to be hanging visibly from many Christian boughs. *Choosing Joy* aims to change that--and change your life in the process--as it helps you discover the key to this most attractive but seemingly elusive gift. *Choosing Joy*, will help you overcome the obstacles and focus your heart, mind and strength on God so that you can receive the happiness and peace that the world cannot give.

### **Editorial Review**

From the Inside Flap

Ask ten people what joy is and you will get ten different answers.

But yet when you ask:

a man who grew up in the slums of Atlanta without a father

a woman who toiled in her parish's garden despite her agonizing leg and back pain

or author Dan Lord himself

they would all point to one source of their joy: Jesus.

As St. Paul says, "It is no longer I who live, but Christ who lives in me."

His joy, therefore, is our joy.

But if we neglect our part, or become trapped in worry and anxiety, we can't expect peace or joy. What barriers are we putting in the way of our joy? How do I abandon myself to God's will? How do I let go and experience Christ's joy in my life?

With Him, we bear fruit; we can do anything, and we possess everything.

Choosing Joy is your guide to happiness, peace, and success. Author, speaker and teacher Dan Lord guides you along the way as you identify and overcome your personal obstacles and learn to focus your heart, soul, mind and strength on the Lord.
