Editorial Review

Amazon.com Review

The five simple chapters in Arnold Lobel's *Days with Frog and Toad* say more about the rewards of friendship than any adult tome ever could. Frog and Toad, the amiable amphibian duo, fly kites, clean house, and tell ghost stories together. And, in a surprisingly sophisticated, yet perfectly easy-to-grasp, segment, they even learn about the value of being alone. Frog is ever-so-slightly more sagacious than Toad; his gentle and supportive way with his chum shows that personal variances don't have to get in the way of friendship. On the contrary: *vive la différence!* Arnold Lobel's illustrations in warm frog and toad tones create the perfect atmosphere for this wise and touching early reader, an ALA Notable Children's Book.

Lobel has created four "Frog and Toad" stories for the "I Can Read" books, an immensely popular series with large type, abundant illustrations, and ample spacing that first launched with Else Holmelund Minarik's *Little Bear*. Fans of the foot-flapping friends won't want to miss *Frog and Toad Are Friends* (a Caldecott Honor book); *Frog and Toad Together* (a Newbery Honor book); and *Frog and Toad All Year* (an ALA Notable Children's Book). Children will be overjoyed to spend an evening--or days on end--with these affectionate friends. (Ages 4 to 8). --*Emilie Coulter*

Review

Arnold Lobel created wonderful classic characters in best friends Frog and Toad. Toad is not as adventurous as Frog, but together they make a great partnership and help each other out. Their adventures are gentle and amusing and have appealed to countless children. Layout and typeface are clear and uncluttered to encourage beginners. (5-7 yrs) (Kirkus UK)

The glowing friendship of Frog and Toad continues, with Frog as the wiser, supportive partner easing Toad through his small frustrations and uncertainties. Frog plays the sympathetic sounding board while Toad convinces himself to clean house today and take it easy tomorrow instead of the other way round; he encourages Toad through a fourth and finally successful try at kite flying despite the robins' ridicule; he scares himself and Toad with a shivery ghost story that might or might not have happened to him; and, less admirably perhaps, he shrinks Toad's too-big birthday hat with water while leading his friend to believe that Toad's own big thoughts have enlarged his head. Once more, Lobel leaves the two with their friendship reaffirmed, this time after Toad misinterprets his friend's desire to be alone for a while. As in *Frog and Toad All Year* (1976) the relationship has settled into a comfortable, conflict-free pattern; but the complementary pair continues to delight and vulnerable Toad to invite sympathetic recognition. (Kirkus Reviews)

From the Back Cover

Frog and Toad enjoy spending their days together. They fly kites, celebrate Toad's birthday, and share the shivers when Frog tells a scary story. Most of all, they have fun together—every day of the year.
