## Fractions, Decimals & Percents, 2nd Edition (Manhattan GRE Strategy Guides) By Manhattan GRE

**Updated for the revised GRE**, the Fractions, Decimals, and Percents Guide provides an in-depth look at the variety of GRE questions that test your knowledge of fractions, decimals, and percents so that you can learn to see the connections among these part-whole relationships and practice implementing strategic shortcuts.

Each chapter builds comprehensive content understanding by providing rules, strategies and in-depth examples of how the revised GRE tests a given topic and how you can respond accurately and quickly. The Guide contains both “Check Your Skills” questions in the chapters that test your understanding as you go and “In-Action” problems of increasing difficulty, all with detailed answer explanations.

Purchase of this book includes one year of access to 6 of Manhattan GRE’s online practice exams.
