Lee Kuan Yew: The Man and His Ideas By Han Fook Kwang, Warren Fernandez, Sumiko Tan

Lee Kuan Yew passed away on 23 March 2015 at the age of 92. This book, which was first published in 1998, tells the story of his life from when the Japanese occupied Singapore in 1941 until 1998 when he was Senior Minister.

Based on 13 exclusive interviews held over 30 hours, this book chronicles the events, people and political fortunes that were to shape Lee's view of the world, as well as the path he set for the transformation of Singapore. It delves into the choices he made, the political turnings he took, the insights gained and lessons learnt, some of which were expounded to the authors for the first time, with wit, wisdom, candor and vivid recollection.

Written by three leading journalists from The Straits Times.

Users Review

From reader reviews:

Charles Tapia:

As people who live in often the modest era should be change about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by reading books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This Lee Kuan Yew: The Man and His Ideas is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Paul Tirrell:

Information is provisions for anyone to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is in the former life are challenging to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you find the unstable resource then you have it as your main information you will have huge disadvantage for you. All those possibilities will not happen inside you if you take Lee Kuan Yew: The Man and His Ideas as the daily resource information.

Deborah Browning:

Reading can called thoughts hangout, why? Because when you find yourself reading a book mainly book entitled Lee Kuan Yew: The Man and His Ideas your head will drift away trough every dimension, wandering in most aspect that maybe not known for but surely can become your mind friends. Imaging every word written in a book then become one web form conclusion and explanation that maybe you never get just before. The Lee Kuan Yew: The Man and His Ideas giving you a different experience more than blown away your head but also giving you useful facts for your better life on this era. So now let us show you the relaxing pattern the following is your body and mind will be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Irma Cook:

In this era globalization it is important to someone to find information. The information will make a professional understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The actual book that recommended to you is Lee Kuan Yew: The Man and His Ideas this book consist a lot of the information on the condition of this world now. This book was represented how do the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. Typically the writer made some research when he makes this book. Honestly, that is why this book suited all of you.
