Passenger to Frankfurt By Agatha Christie

Sir Stafford Nye's journey home from Malaysia to London takes an unexpected twist in the passenger lounge at Frankfurt: a young woman confides in him that someone is trying to kill her. Their paths cross again and again, and each time the mystery woman is introduced as a different person. Equally at home in any guise in any society, she draws Sir Stafford into a game of political intrigue more dangerous than he could possibly imagine. In an arena where no one can be sure of anyone, Nye must do battle with a well-armed, well-financed, well-trained, and invisible enemy.

Editorial Review

From Publishers Weekly

Hugh Fraser turns in a stellar performance in this audio version of Christie's classic mystery. When bored diplomat Stafford Nye meets a mysterious young woman at an airport lounge in Frankfurt, he learns her life is in danger and is drawn into a dangerous world of intrigue. Fraser—whom listeners will recognize as Captain Hastings on the BBC television series *Poirot*—reads with excellent pacing, tone, and inflection. He conjures up a host of compelling voices and accents for the cast of characters; his portrayal of Nye is spot-on and his high-pitched Aunt Matilda is a delight. (Oct.)
