### Quiet Chaos: A Novel By Sandro Veronesi

The winner of the Strega Prize, Italy's top literary award, and the basis of an internationally acclaimed motion picture, *Quiet Chaos* is now available in America. Author Sandro Veronesi, whose work has been glowingly compared to the novels of Ian McEwan and Martin Amis, dazzles with this powerfully compelling, often darkly funny story of a television producer whose world is misshapen by ironic tragedy. An unforgettable contemporary fable about stepping out of life after it cruelly turns everything upside-down, and finding a resolution to the unsolvable problem of loss in the beauty and strangeness of the everyday, *Quiet Chaos* is another literary wonder from the author of *The Force of the Past*.

### Editorial Review

From Publishers Weekly

In Veronesi's absorbing second novel translated into English (after *The Force of the Past*), Italian television executive Pietro Paladini saves a woman from drowning at the exact moment his wife, Lara, suddenly dies. After the unexpected death, Pietro becomes enveloped in a strange calm, and he spends each day outside his daughter's school, observing the quiet rhythms of life. Meanwhile, his bosses visit him to share cryptic information about a messy corporate merger, and his co-workers, buckling under the strain of the merger, turn to him for advice and go a little crazy. Things get even messier when Pietro encounters the woman he rescued, Eleonora, a wealthy seductress whose life has also been upended by that pivotal moment. Veronesi finds some success in this courageous and difficult project, creating an unreliable narrator who feels an unusual manifestation of grief, though the subplots are so crudely satirical that it's unclear where the winking satire ends and the realist psychological drama begins. Moore's translation is commendable, especially considering the cacophony of voices and Pietro's racing, fractured narration as he dwells in that space between sorrow and madness. (Apr.)

Review

“Dazzling.... Like a literary Fellini, Veronesi brings to life the larger-than-life human comedy as only an Italian would dare, uproariously funny in the face of stark tragedy. It's a reading experience not to be missed.”

From the Back Cover

On the shores of the Mediterranean, exhausted from an afternoon of surfing, Pietro Paladini is shaken out of his stupor by a distant noise. “Over there!” he cries to his brother, Carlo, sunning beside him. “Over there!”

So begins the adventure that will tear a hole in Pietro's life. For while he and his brother struggle to save two drowning swimmers, a tragedy is unfolding down the road at his summer cottage. Instead of coming home to a hero's welcome, Pietro is greeted by the flashing lights of an ambulance, the wide-eyed stare of his young daughter, Claudia, and the terrible news that his fiancée, Lara, is dead.

Life must go on. Or does it? Pietro, a true iconoclast, has to find his own way. When he drops Claudia off for the first day of school, he decides to wait outside for her all day, and then every day. To protect her. To protect himself. To wait for the heavy fist of grief to strike. But as the days and weeks go by, the small parking lot in front of the school becomes his refuge from the world as well as the place where family and colleagues come to relieve their own suffering—among them, the woman he rescued from the waves. And Pietro plunges deeper into the depths of his life before seeing the simple truth before his eyes.

Sandro Veronesi makes art of every detail, creating a mosaic of humor, hope, profound insight, and emotional resonance. *Quiet Chaos* is an unprecedented portrayal of a life set adrift by death.

### Users Review

From reader reviews:

**Christi Ross:**

The book Quiet Chaos: A Novel make one feel enjoy for your spare time. You may use to make your capable a lot more increase. Book can for being your best friend when you getting tension or having big problem with your subject. If you can make reading through a book Quiet Chaos: A Novel for being your habit, you can get more advantages, like add your capable, increase your knowledge about some or all subjects. You could know everything if you like start and read a guide Quiet Chaos: A Novel. Kinds of book are several. It means that, science book or encyclopedia or some others. So , how do you think about this guide?

**Danielle Smith:**

This book untitled Quiet Chaos: A Novel to be one of several books in which best seller in this year, this is because when you read this e-book you can get a lot of benefit upon it. You will easily to buy this book in the book shop or you can order it via online. The publisher of the book sells the e-book too. It makes you quicker to read this book, as you can read this book in your Smartphone. So there is no reason for you to past this publication from your list.
