

Spring Integration in Action

By Mark Fisher, Jonas Partner, Marius Bogoevici, Iwein Fuld

Spring Integration in Action By Mark Fisher, Jonas Partner, Marius Bogoevici, Iwein Fuld

Spring Integration extends the Spring Framework to support the patterns described in Gregor Hohpe and Bobby Woolf's *Enterprise Integration Patterns* (Addison Wesley, 2003). Like the Spring Framework itself, it focuses on developer productivity, making it easier to build, test, and maintain enterprise integration solutions.

Spring Integration in Action is an introduction and guide to enterprise integration and messaging using the Spring Integration framework. The book starts off by reviewing core messaging patterns, such as those used in transformation and routing. It then drills down into real-world enterprise integration scenarios using JMS, web services, filesystems, email, and more. You'll find an emphasis on testing, along with practical coverage of topics like concurrency, scheduling, system management, and monitoring.

Editorial Review

About the Author

Mark Fisher is the Spring Integration founder and project lead. Jonas Partner, Marius Bogoevici, and Iwein Fuld have all been project committers and are recognized experts on Spring and Spring Integration. Together, they bring to the book decades of experience consulting on real world integration projects.

Users Review

From reader reviews:

Steven Bourg:

In this 21st one hundred year, people become competitive in every way. By being competitive now, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated this for a while is reading. Yes, by reading a publication your ability to survive raise then having chance to stand up than other is high. For yourself who want to start reading the book, we give you this Spring Integration in Action book as basic and daily reading publication. Why, because this book is greater than just a book.

Dolores Wade:

Information is provisions for people to get better life, information today can get by anyone with everywhere. The information can be a understanding or any news even an issue. What people must be consider any time those information which is within the former life are difficult to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Spring Integration in Action as your daily resource information.

Lisa Martin:

In this era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become one of it? It is just simple approach to have that. What you need to do is just spending your time little but quite enough to have a look at some books. One of several books in the top listing in your reading list is actually Spring Integration in Action. This book that is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking right up and review this book you can get many advantages.

Michael Kautz:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information

originating from a book. Book is composed or printed or highlighted from each source that filled update of news. With this modern era like at this point, many ways to get information are available for you. From media social such as newspaper, magazines, science publication, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just in search of the Spring Integration in Action when you desired it?
