Editorial Review

About the Author

Born in Dublin, Ireland, in 1975, Tony cut his teeth as a photojournalist. Tony's voracious appetite for blue skies and sun-drenched panoramas drew him to Barcelona. Here he embraced the "street voyeur" within. His quirky spin on daily life and cultural idiosyncrasies surrounding him quickly became his distinctive signature style. Today, Tony is based in Los Angeles; a destination that is uniquely fitting for an aesthetic journey that drew him to work in locations as diverse as Rio De Janeiro, Africa and the Middle-East.

Though immaculately polished, his videos and photos are playfully subversive. They force you to stop and think. Through his craft of subtext, he invites us to join him in venturing beneath the glossy veneer and confront stereotypes, taboos and role reversals. Tony Kelly's productions are renowned for their theatricality and spontaneity. His natural enthusiasm persuades his subjects to step out of their comfort zone, while his high-octane pace allows him to negotiate extravagant sets and imaginative tableaux. It's juicy and exuberant and perfectly suited to the contemporary publications and progressive high-end galleries that exhibit his work.

Tony's Toys, Kelly's first self-published photo book, had a limited print run of only 1,000 copies and was exclusively available online and at Marc Jacobs' Bookmarc.
