Textbook of Psychiatry E-Book By Basant K. Puri, I. H. Treasaden

This is a new edition of a successful introductory textbook on the subject of psychiatry. Clearly written and rich in pedagogic features - such as summary boxes, clinical cases and other aid memoirs - this book is tailored to the learning needs of those entering the discipline for the first time. Particularly suitable for medical students, this book will also act as a 'primer' for post-graduates first entering the speciality with a view to a long-term career in the discipline.

- New edition of a well established text with a strongly pedagogic approach to the subject of psychiatry
- Logical writing style gives ready access to key information
- Includes many illustrations
- Contains practical examples throughout to demonstrate the importance of psychiatry to all areas of medicine
- Ideal for medical students and junior doctors
- Suitable as a 'primer' for specialist trainees entering the discipline for the first time

Enhanced discussion of the use of psychotherapy in line with current practice

Editorial Review

From a student review of the previous edition: "Being a medical student, you can only have a few weeks to study Psychiatry ... Puri's Pocket Essential of Psychiatry is probably the best for the beginner. The text is well structured, and diagnostic criteria for some important diseases, such as schizophrenia and BAD, are provided, while for some less important diseases the text is core and concise. The size is suitable for you to bring to the ward for grand rounds; when the professor is looking at the case notes, you can revise what you learn using this pocket-sized book. It makes your life easier during the Psychiatry module." Users

Review

From reader reviews:
Lily Pawlak: Within other case, little folks like to read book Textbook of Psychiatry E-Book. You can choose the best book if you love reading a book. Providing we know about how is important the book Textbook of Psychiatry E-Book. You can add know-how and of course you can around the world by way of a book. Absolutely right, mainly because from book you can understand everything! From your country until finally foreign or abroad you will be known. About simple issue until wonderful thing you are able to know that. In this era, we could open a book or even searching by internet product. It is called e-book. You can use it when you feel fed up to go to the library. Let's study.

Joann Nixon: The guide with title Textbook of Psychiatry E-Book includes a lot of information that you can study it. You can get a lot of profit after read this book. This particular book exist new knowledge the information that exist in this e-book represented the condition of the world today. That is important to you to know how the improvement of the world. This kind of book will bring you within new era of the the positive effect. You can read the e-book in your smart phone, so you can read this anywhere you want.

Arthur Johnson: Exactly why? Because this Textbook of Psychiatry E-Book is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I were being you I will go to the e-book store hurriedly.

Ruth Vigue: Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try point that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Textbook of Psychiatry E-Book, you can enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.
