Editorial Review

From Publishers Weekly

Starred Review. National Book Award–finalist Walter does for the nation's bleak financial landscape what he did for 9/11 in *The Zero*: whip-smart satire with heart. Matt Prior quits his job as a business reporter to start Poetfolio.com, a Web site featuring poetry about finance, or money-lit. Unsurprisingly, it tanks, and Matt returns to the newspaper, only to be laid off with a meager severance package. Now not only are the Priors in danger of losing their house, but Matt is convinced that his wife, Lisa, is having an affair with an old boyfriend she rediscovered during her lengthy nightly Facebook sessions. With two sons in overpriced Catholic school and his increasingly senile father to support, Matt's bank accounts dwindle amid his financial planner's dire predictions (diagnosis: fiscal Ebola). When an appealing but illegal moneymaking opportunity presents itself, Matt jumps at the chance. The decision to include snippets of Matt's poetry in the novel was a risky one, but Walter pulls it off, never resorting to pretension or overused metaphors for life's meltdowns. (Oct.)

Walter's wildly funny, heartrending novel is a clever meditation on the American Dream gone horribly wrong. Readers will be rooting for Matt, "a likable everyman" (*Christian Science Monitor*), even as he commits one painful error after another. Walter's writing crackles with energy, and though he seems to come close to treating some serious topics (drug use, infidelity, mental illness, and bankruptcy) superficially, his affection for his characters and his shrewd assessment of the Priors' financial and familial collapse circumvent that danger. His free-verse poetry, however, interspersed within the narrative, received mixed reviews. Praised as one of today's best new voices, Walter has penned a scathing indictment of contemporary America.

Review

"A deliciously antic tale of an American dream gone very sour...part noir gumshoe, part average Joe, [Matt Prior] is a sharp, wide-eyed, soulful observer, with a keen eye for the layers of bureaucracy and doublespeak." (Washington Post)

"Would be so sad if it weren't so funny, and so funny if it weren't so sad. . . . Compassionate, witty and drawn from today's heartless world, it's a terrific book." (Arizona Republic)

"An extremely funny novel...a very smart meditation on what's gone wrong with both the US economy and those of us who are expected to keep it running...cleverly designed and immensely entertaining." (Christian Science Monitor)

"The funniest way-we-live-now book of the year." (Time magazine)

"The novel has warmth, and its protagonist emerges as a bourgeois Everyman of the downturn." (The New Yorker)

"[Walter is a] deft humorist and catastrophist. . . . dangerously astute." (Janet Maslin, New York Times)

"Walter is one of my favorite young American writers. . . . [Financial Lives] made me laugh more than any other book published this year." (Nick Hornby, Parade)

“A real find....the ultimate something-for-everyone-don’t-skip-must-read.” (Sara Nelson, The Daily Beast)

“[A] superb farce.” (Maureen Corrigan, NPR's Fresh Air)

“Cynical yet warm, this novel about a financial reporter (with a failing website written entirely in blank verse) is a delight.” (The Must List, Entertainment Weekly)

“Walter’s *The Financial Lives of the Poets* is gasp out loud funny. It’s also sufficiently true to life that you’re grateful it’s not your life. Middle-class mayhem is just the best, at least in Walter’s hands.” (New York Daily News)

“Darkly funny, surprisingly tender . . . witheringly dead-on.” (Los Angeles Times)

“Jess Walter is a brilliant writer, one of the freshest new voices in American literature.” (Dallas Morning News)

“When it comes to explaining to me my own too often baffling nation, there’s no one writing today whom I trust as completely as Jess Walter. His intelligence and sympathy and great wit inform every page—indeed every sentence—of his terrific new novel, *The Financial Lives of the Poets*. ” (Richard Russo, author of *That Old Cape Magic* and *Empire Falls*)

“Jess Walter’s smart and big-hearted take on our bleak national moment is a welcome relief. *The Financial Lives of the Poets* is a rollicking fiction and an affecting family portrait, as well as a mordantly funny cautionary tale.” (Sam Lipsyte, author of *Home Land* and *Venus Drive*)

“Confirms Jess Walter as a writer of the first rank...his eye keen for the true values of the human heart. This is a hopped-up, raucous stunner of a novel with a hero who’s funny enough to make you weep for what we’ve lost.” (Whitney Terrell, author of *The King of Kings County* and *The Huntsman*)

“Jess Walter’s *The Financial Lives of the Poets* is a comic, graceful parable of marriage and money troubles in which a well-meaning family man makes decisions that are seriously stupid—and entertaining and

American.” (Sarah Vowell, author of *Assassination Vacation* and *The Wordy Shipmates*)

“One of the best American writers working today....It’s a testament to this author’s genius that I could not stop laughing even as he drives home some necessary truths. Walter has written a profound, and profoundly funny, book; this may well be the classic novel of our post-boom era.” (Ben Fountain, author of *Brief Encounters with Che Guevara*)
