Editorial Review

From Library Journal

Unlike Betty J. Eadie and other near-deathers who have written best-selling accounts of their close calls, Fenimore did not experience an epiphany when her heart stopped. Here, she tells of her brief, hellish tour of you-know-where.

Copyright 1994 Reed Business Information, Inc.

Review

In 1991 the author, a wife and mother, decided to take her own life in the hopes of finding peace. Her near-death experience was not a heavenly encounter, however, but a brush with a nightmare. Her journey to hell and back is charted in an astoundingly vivid account which proves hard to put down. -- *Midwest Book*

From reader reviews:

Karen Jude:

Often the book *Beyond the Darkness* will bring you to the new experience of reading a book. The author style to spell out the idea is very unique. When you try to find new book to learn, this book very ideal to you. The book *Beyond the Darkness* is much recommended to you to read. You can also get the e-book from official web site, so you can quicker to read the book.

Cynthia Carter:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. One activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love *Beyond the Darkness*, you may enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't understand it, oh come on its referred to as reading friends.

Cassandra Tucker:

Your reading sixth sense will not betray an individual, why because this *Beyond the Darkness* e-book written by well-known writer whose to say well how to make book which might be understand by anyone who also read the book. Written inside good manner for you, leaking every ideas and producing skill only for eliminate your personal hunger then you still skepticism *Beyond the Darkness* as good book not only by the cover but also through the content. This is one e-book that can break don't determine book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to an additional sixth sense.

Ann Cason:

Reading a reserve make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is published or printed or descriptive from each source that will filled update of news. In this modern era like at this point, many ways to get information are available for you. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, new and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just looking for the Beyond the Darkness when you desired it?
