El Guardian (The Guardian) By Nicholas Sparks

Julie Barenson es, a sus veintinueve años, demasiado joven para olvidarse del amor. Su amado esposo murió en un trágico accidente cuatro años antes, haciéndole dos regalos antes de su muerte: un cachorro llamado Singer y la promesa de cuidarla para siempre. Ella sigue recordándole, pero siente que por fin ha llegado el momento de rehacer su vida. La pregunta es, ¿con quién? Quizá con Richard Franklin, un hombre guapo y sofisticado que la trata como a una reina; o Mike Harris, el mejor amigo de su difunto marido y un hombre sensato y cabal. La toma de una decisión deparará a Julie momentos de felicidad que no había sentido en años. Pero una pesadilla asomará en su vida justo entonces: los celos la sumirán en una espiral de obsesión y muerte.

Nicholas Sparks, explores in "The Guardian" the darkest corner of the heart in this emotive story of love and obsession. A young widow receives a present from her death husband.

Editorial Review

Users Review

From reader reviews:

Debbie Brown:

Reading a book tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Having book everyone in this world could share their idea. Publications can also inspire a lot of people. Many author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write for their book. One of them is this El Guardian (The Guardian).

Patrick Lyon:

In this period globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. Often the book that recommended for your requirements is El Guardian (The Guardian) this guide consist a lot of the information from the condition of this world now. This book was represented how does the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The writer made some exploration when he makes this book. This is why this book acceptable all of you.

Clifford Harvey:

What is your hobby? Have you heard that will question when you got pupils? We believe that that concern was given by teacher with their students. Many kinds of hobby, Every person has different hobby. And you also know that little person including reading or as reading become their hobby. You must know that reading is very important and also book as to be the issue. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. Numerous books that can you take to be your object. One of them is actually El Guardian (The Guardian).

Eugene Meunier:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is composed or printed or descriptive from each source that filled update of news. In this particular modern era like currently, many ways to get information are available for you. From media

social including newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just in search of the El Guardian (The Guardian) when you necessary it?
