Editorial Review

Review

"This sterling collection perceptively achieves its two central goals. It crisply summarizes what we know and need to learn about key facets of political participation. Its excellent essays also thoughtfully discuss the implications of the uneven inclusion they document in American political life."-Ira Katznelson, Ruggles Professor of Political Science and History at Columbia University and author of *When Affirmative Action Was White* "The Politics of Democratic Inclusion seeks to highlight the myriad ways that political institutions foster or inhibit the inclusion of historically under-represented groups into contemporary American politics. Leading scholars not only spell-out the dilemmas that confront racial, ethnic and immigrant groups and women in the United States as they seek to influence politics, but also the roles that such institutions as political parties, local governments, the federal courts, the Congress and the presidency play in mediating, constraining and facilitating their access to power. Taken together, these essays should push students of democratic inclusion to look beyond the study of attitudes, beliefs and mass politics and closely examine how it is that institutions also matter in explaining the success and failure of disadvantaged groups as they seek a redress of their political and policy grievances. The result is a first-class and even path-breaking work of collaborative scholarship."-Lawrence C. Dodd, Manning J. Dauer Eminent Scholar in Political Science, the University of Florida

From the Publisher

How institutions foster and hinder political participation of the underrepresented

About the Author

Christina Wolbrecht is Associate Professor in the Department of Political Science and Director of the Program of American Democracy at the University of Notre Dame. Her book, *The Politics of Women's Rights: Parties, Positions, and Change* (2000), was recipient of the 2001 Leon Epstein Outstanding Book Award from the American Political Science Association (Political Organizations and Parties Section). She has published articles in many journals, including the *American Journal of Political Science* and the *Journal of Politics*.

Rodney E. Hero is Professor of Political Science at the University of Colorado at Boulder. He is also the author of *Latinos and the U.S. Political System* (1992), which won the American Political Science Association's Ralph Bunche Award for 1993.

Peri E. Arnold is professor of political science at the University of Notre Dame and author of *Making the Managerial Presidency: Comprehensive Executive Reorganization, 1905-1996*, winner of the Louis Brownlow Award.

Users Review

From reader reviews:

Katherine Anderson:

People live in this new day time of lifestyle always attempt to and must have the free time or they will get lots of stress from both everyday life and work. So , when we ask do people have spare time, we will say

absolutely indeed. People is human not only a robot. Then we inquire again, what kind of activity have you got when the spare time coming to anyone of course your answer may unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the actual book you have read is actually Politics of Democratic Inclusion.

Denice Cooke:
