### Science Of Fortune By Pandit Sethuraman

Some books entertain the readers; some others enlighten them. Some educate and some others elevate them. This book on the subject of numerology based on the research done with chaldean system of numbers entitled "SCIENCE OF FORTUNE" does all those things! It is the brainchild of the author who may be truly called Father of Numerology in this part of the country. It,s Tamil edition " Adhrushta Vigyanam" first published in 1954 by Pandit Sethuraman created a lot of sensation all over the world. It was reprinted twenty six times until 2013 without any publicity or promotion. The same work translated into English as "Science Of Fortune" by Pandit,s son and disciple Sri.V.S.Guruswamy who himself is a numerologist of world renown,has also added some interesting chapters and illustrations . The English version was broughtout in the year 2003 and it has sold ten editions until 2013 without any publicity and only by word of mouth of the readers. Based on several years of intensive study and research into the mysterious but astounding role the numbers play in human lives, the author has discovered a definite pattern of events in human lives, which corresponds to their dates of birth and names. First time in the history of predictive sciences in the world, only Pandit Sethuraman gave readings beyond the number 52 and upto 108 having based the interpretations on the wide array of ancient scriptural and spiritual works in his possession. He explains in the book how people should have spellings of their names and arrangement of letters based on their dates of birth. Also it taught to ascertain the timing of their activities. He also gives exhaustive suggestions regarding the secrets of perfect timing to improve one's fortune. He asserts that keeping names in harmony with the date of birth has proved that it could bestow happiness and fortune even on hitherto unfortunate people and that it can cure certain complicated diseases that have been believed to be incurable by the medical profession. The wide clientele of the author comprising of kings, presidents, ministers, scientists, industrialists and also people from other walks of life prove that the magic of numbers could play an important role in everybody's life to attain success. This eBook was broughtout mainly to propagate this predictive science even in the remotest parts of the world to help everyone to achieve success and live in harmony. To any one who is in need of an authentic and reliable ready-reckoner on the subject of Numerology, "Science of Fortune" is the only choice and best guide.

About the Author

Pandit Sethuraman was born on the 31st May, 1925. He had his education in Tiruchirapalli, India. He joined the Defence Services in India, then under the British crown at a young age during the World War II. He quickly rose to an enviable position by his sheer hard work and sharp intellect. His research-oriented mind together with his interest in occult sciences helped him analyse the lives of hundreds of soldiers in his unit, their victories and defeats or deaths. It was then that he discovered a definite pattern of events in human lives which corresponded to their dates of birth and names. This revelation changed the course of his life. He realised that he was born for a mission that would help the humanity. Spurred on by the wisdom that dawned on him, he decided to pursue his avowed mission of helping people through the science called Numerology. He resigned his job forgoing a high status and salary and followingly, in 1954, published his all- time bestseller, "ADHISTA VINGYANAM" ( SCIENCE OF FORTUNE ) in Tamil. The book was an instant success all over the world. Interestingly, the publication of this book was never advertised or its sale promoted in anyway. The readers who read the book and were benefited by it spread the message it contained and the demand for this extra-ordinary book on Numerology grew in leaps and bounds. That is the secret of success of the original work in Tamil which played an important role in the lives of multitudes of people all over the world. After publishing the thirteenth edition (Tamil) in 1997 while in the peak of his fame, Pandit Sethuraman passed away. But the legacy continues and the Pandit's son and disciple, V.S.

Guruswamy has brought out the editions in English, Telugu, Hindi and also Chinese for the benefit of global readers in the year 2003. The English version itself has seen its tenth edition and to suit the modern minds, the eBook version of “Science of Fortune” is ready for global readers. V.S. Guruswamy has also published an eBook entitled “My Fortune” which analyses scientifically from a new angle how to progress in life and add harmony to it by using lucky numbers and choosing lucky names! More information is given about person-to-person relationships in the new eBook “My Fortune”. No doubt the readers will find “Science of Fortune” and also the eBook “ My Fortune” the most valuable books on earth that help them attain peace, prosperity and harmony.
