Editorial Review

About the Author
Prof Mark von Rosing
Prof. von Rosing is in every way an innovator impacting developments, standards, frameworks, methods and approaches around the world. For over 15 years he has taught in different universities around the world.

He is the Chairman of the Global University Alliance, the largest non-vendor academic platform for academic collaboration. He has been personally involved of developing 96 Enterprise Standards and 51 Industry Standards, both with ISO, OMG, LEADing Practice, NATO and many more.

Recognized as founder of the object modeling discipline.

Henrik von Scheel
A leading authority in competitiveness and one of the pre-eminent strategists + advisor of his generation. Best-selling author, sought-after speaker and one of the most influential board members.

Best known as the father of the "digital agenda" today and one of the co-founders of the "Industry 4.0"

Trough his research, publications and effort with standard bodies, evolved the mainstream thinking and practices of what is being taught at universities and applied by over 50% of organizations today. These include the extended BPMN, Object Modelling, Social BPM, BPM Lifecycle, BPM Maturity, Value BPM & Goal-Oriented Process etc.

Professor August-Wilhelm Scheer
Professor Dr. Dr. h.c. mult. Scheer is founder of the Institute for Information Systems (IWi) at Saarland University and was its director for 30 years.

Prof Scheer was honored with the Lifetime Achievement Award in 2013 by the Global University Alliance on behave of +400 universities, in recognition of his long-term impact and contribution to evolve the academic world and organization's structural thinking of how to apply enterprise modelling today.

Leaving his mark on this generation and generations to come. Pushing the bar with his research and focus on information and business process management,

He is widely regarded as the founder of the BPM industry.

Users Review

From reader reviews:

Shawn Macdonald:

What do you consider book? It is just for students since they're still students or it for all people in the world,

the actual best subject for that? Simply you can be answered for that query above. Every person has diverse personality and hobby for each other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book The Complete Business Process Handbook: Body of Knowledge from Process Modeling to BPM, Volume 1. All type of book can you see on many solutions.
