Editorial Review

From Library Journal

Guardini here contemplates the human condition in the wake of two world wars and numerous other horrors and offers his thoughts in two of his best essays: "The End of The Modern World: A Search for Orientation" and "Power and Responsibility: A Course of Action for The New Age." Pretty heavy stuff, this is more for academic libraries.

Review

"...[F]ifty years on, [Guardini's analysis] still has resonance because many of the problems he poses about modernity have not been overcome." -- *The Times Literary Supplement, TLS*

As Neuhaus and Wilhelmsen warn us, Guardini's vision of the present and the future is bracing stuff, going beyond optimism and pessimism into the prophetic wilderness where the difficult truth can be proclaimed. The truth, in his view, is that man has lost his place in the universe--and he has not lost it because God no longer has a place there. Guardini sees a new age coming, however, in which the fight between Christianity and secularism will be sharpened and in which it will be possible, if we have the nerve for it, to restore man's dignity and his sense of place.... It is a urgent call to holiness, and inspiring challenge, and an exceptionally important book for a new millennium. -- *First Things, January 1999*

From the Back Cover

"The End of the Modern World draws every thoughtful Christian's attention to the grave moral problems that beset civilization and "culture" so evidently now. This new and extended edition is more than timely; it requires careful reading and--yes, contemplation--by those who are willing and able to absorb its theme and contents."--John Lukacs, author, *The Hitler of History and The End of the Twentieth Century and the End of the Modern Age* "Once in a great while, a figure arises who seems to scan past, present, and future from some almost timeless mountain peak. Romano Guardini is one of those all-too-rare figures. The publication of an expanded edition of this penetrating Guardini book will provide a whole new generation with a chance to know real wisdom--and the rest of us with a reminder of an inexhaustible treasure."--Robert Royal, editor, *A Century of Catholic Social Thought*
