### Editorial Review

From the Back Cover

#### **Your hands-on guide to the secrets of Toyota's success!**

Jeffrey Liker first revealed the management principles Toyota's worldwide reputation for quality and reliability in the international bestseller *The Toyota Way*.

Now, he and Toyota veteran David Meier take those lessons a step further with *The Toyota Way Fieldbook*. You'll receive the diagnostic tools, worksheets, and exercises--many adapted from Toyota originals--so you can craft the most effective approach for your organization.

Learn how to develop a long-term philosophy of cost reduction, build a culture that stops to fix problems quickly, develop leaders that live your system, and transform your company into a true lean learning organization that continuously improves, meets the needs of its customers, and positions itself for long-term success.

#### **Most importantly, you'll understand the thinking behind lean tools and approaches so you can implement Toyota's 4P Model for success in your organization:**

**Philosophy**--The company is a vehicle for adding value to customers, society, the community, and its associates.

**Process**--When leaders follow the right process they get the right results, including long-term cost-reduction and quality improvement.

**People and Partners**--Add value to an organization by challenging its people and partners to grow and become more skilled and confident.

**Problem solving**--Continuously solve root problems to drive organizational learning.
