**The World's Religions (4th Edition)** By YOUNG

**The World's Religions** *provides an orientation to the study of religion.*

Surveying the stages of development, worldviews, and current situations of the major world religions, this text discusses the ways these religions respond to contemporary ethical issues. It also presents a sampling of new religious movements and looks to the possible ways the world's religions may interact in the 21st century. Its distinctive “framework for understanding” religious worldviews allows readers to compare and contrast the teachings of religions objectively.

## **Editorial Review**

### **From the Back Cover**

This book establishes a framework for understanding religion and discusses general questions between religion and science. It also provides an overview of the histories of the major religions of the world and their basic teachings with a framework that allows for objective comparisons among religions.

### **About the Author**

William Young is Professor of Religious Studies at Westminster College in Fulton, Missouri. In addition to *The World's Religions: Worldviews and Contemporary Ethical Issues* (3rd edition, 2009) he is co-author (with Christian Hauer) of the widely-adopted textbook *An Introduction to the Bible: A Journey into Three Worlds* (Prentice Hall, 7th edition, 2008) and author of *Quest for Harmony: Native American Spiritual Traditions* (Hackett Press, 2006). During a thirty-five year teaching career, he has introduced generations of students to the world's religions and taught a wide variety of special topic courses ranging from Religion and Politics to Spiritual Ecology: Religion and Nature.
