'[a] brilliant series...these mini paperbacks each give an insightful, focused overview of a key topic...start collecting now.' - Whatsonstage.com '...Palgrave Macmillan's excellent new outward-looking, eclectic Theatre& ... series. These short books, written by leading theatre academics, do much to reintroduce some of the brightest names in theatre academia to the general reader. While there are a number of remarkable insights in Nicholas Ridout's book, the most significant is simply to have brought together these two terms - 'theatre' and 'ethics' - in an approachable, compelling volume.' - D.J.Hopkins, Head of Theatre Studies, San Diego State University 'Nicholas Ridout...neatly organises his argument around the philosophy and practices of the ancient, modern and postmodern periods. Beginning with Sophocles' *Philoctetes*, he deftly analyses how the question 'how shall I act?' has been proposed and problematized in a range of theatrical encounters. For Ridout, the question provides a seductive starting point as it bridges both theatrical and ethical concerns.' - Theatre Research International 'For those of us interested in the knotty paradoxes that sit at the core of theatre's meta-theatrical truth-effects - an ethics that is no longer ethics, a politics that is political for how it is yet to be imagined, an idea of the human that displaces itself the moment it is performed - these pithy glimpses at the enigma of what theatre might be doing when it does itself well are timely engagements with some of the twenty-first century's most pressing philosophical preoccupations.' - Review of Theatre & series, Performance Paradigm
