Blue Smoke By Nora Roberts

Incomparable #1 *New York Times* bestselling author Nora Roberts delivers a tale of gut-level fear, human triumph, and the bonds that carry us through our darkest times...

Reena Hale's destiny was shaped in the destructive—yet fascinatingly beautiful—fire that leveled her family's pizzeria when she was young. Now an arson investigator, she finds her strength and wits constantly tested, although sometimes the job seems like a snap compared to her love life. But she can't always blame the men. After all, a soot-caked woman barking orders and smelling of smoke isn't the biggest turn-on in the world. Then she meets Bo Goodnight, who seems different. He's been trying to find Reena for years, and now that she's close enough to touch, he has no intention of letting go.

Nor does the man who has begun to haunt Reena's life—with taunting phone calls and a string of horrifying crimes. And as Reena tries desperately to trace the origins—of the calls, the fires, the hatred aimed in her direction—she will step into the worst inferno she has ever faced...

Editorial Review

From Publishers Weekly

Romantic suspense queen Roberts (*Blue Dahlia*, etc.) lights up Baltimore's Little Italy with this appealing story of love, family, food and arson. Eleven-year-old Reena Hale, watching her family's restaurant go up in flames, decides to become an arson investigator. The fire shapes another child's destiny, too, as Joey Pastorelli sees his father go to prison for setting the blaze. Reena's close-knit Italian family rebuilds; Reena grows up and completes police and firefighter training. Despite inheriting her mother's good looks, Reena proves unlucky in love, mainly because her beaux tend to die in fires, but her fortunes look up after she meets hunky carpenter Bo Goodnight. Bo gets along with Reena's family, friends and co-workers, and handles the demands of her career with patient humor, so nothing stands in their way—except an obsessed, pyromaniac stalker determined to kill any man Reena loves. Although it does take Reena an inordinately long time to identify her nemesis, Roberts portrays investigative procedure more accurately than her many imitators. Well-sketched supporting characters with potential subplots of their own suggest that the prolific Roberts will put her feet to the fire again. *Main selection, the Literary Guild and Doubleday Book Club.* (Oct.)

A lot of hard work is involved in becoming an arson investigator for the Baltimore Police Department, but Catarina "Reena" Hale believes it's worth it. There is nothing she enjoys more than the unique challenges involved in discovering the reasons someone would commit arson. The only thing that Reena doesn't like is that it is extremely tough to find a man willing to accept her crazy schedule and -danger-filled job. Now, just when it seems that she has met a man—her new next-door neighbor, carpenter Bowen Goodnight—willing to accept her for who she is and what she does, Reena begins receiving anonymous calls from someone threatening to use fire to destroy everyone Reena holds dear. Roberts effectively opens the mind of her twisted villain to readers to create suspense, but she balances these violent scenes with equally powerful scenes of love and family as Reena gets the support she needs to defeat a sociopath, whose capacity for evil knows no bounds. *Blue Smoke* is another of Roberts' riveting combinations of danger and romance. *John Charles*
