From My Hands to Yours: Lessons from a Lifetime of Training Championship Horses By Monty Roberts, Jean Abernethy

"A good horse trainer can get a horse to do what he wants him to do. A great trainer can get a horse to want to do it" Monty Roberts Whether your interest is in reining, show jumping, barrel racing, dressage, cutting, polo, thoroughbred racing or simple leisure riding this book is designed to help you understand your horse and communicate with him in a partnership that will last a lifetime. Monty introduces the nonverbal language of Equus that humans can use to effectively communicate with their horses. He includes the world's first Dictionary of Equus, which shows dozens of gestural statements made by people and horses and how they combine to create a true interspecies dialogue. Truly great training information from a horses birth, including foal imprinting, to forming partnerships.
