Jefferson Headache Manual By William B. Young MD, Stephen D. Silberstein MD, Stephanie J. Nahas MD, Michael J. Marmura MD

"According to the National Headache Foundation, over 45 million Americans suffer from chronic, recurring headaches (28 million from migraine alone). Headache is the most common complaint for which people see neurologists. Headache can impede job functioning and undermine one's quality of life if not managed effectively. Despite this, research that would help in the care and management of headache patients is sadly lacking.

The *Jefferson Headache Manual* is a practical guide for the practitioner seeking assistance in diagnosing and treating headache patients. Written by the experts at one of the foremost headache centers in the United States, the *Manual* provides a systematic approach to identifying and managing all types of headaches. Migraine, chronic daily and tension headache, cluster headache, post-lumbar puncture and high and low pressure headaches, medication overuse, and unusual primary headaches are all covered. In addition, this handy reference includes chapters on post-traumatic headache, associated comorbid disorders, headache in the emergency department, and regional considerations in the neck, nose and sinuses, and contains up-to-date information on the latest prescription drug treatments, infusion and inpatient therapies, botulinum toxin, and behavioral management. Based upon the Jefferson philosophy and unique experience of the authors, this comprehensive yet concise manual will appeal to anyone who strives to practice state of the art headache medicine.

Features of the *Jefferson Headache Manual* include

- Practical, problem-oriented approach to diagnosis and management
- Expert advice and recommendations
- Packed with useful graphics, tables, and illustrations
- Differential diagnoses lists, clinical criteria boxes, and Red Flags help practitioners make informed decisions quickly
- Covers pharmacologic and non-pharmacologic treatments

Editorial Review

Review

4 Stars! Headache disorders are so common that this book is essential for all medical professionals. Recent references, tables, algorithms, and a handy index to target quick searches, all make this a great resource. This concise, easy-to-read book covers a plethora of headache diagnoses, their epidemiology, and treatment strategies. What makes it unique is it reviews headache treatment in various settings, including outpatient or inpatient either in the emergency room or an infusion center. It also touches base with other anatomically related structures that can cause headache, such as the neck, nose and sinuses.-Doody's Reviews --Doody's Reviews

About the Author

William B. Young, MD, Stephen D. Silberstein, MD, Stephanie J. Nahas, MD, and Michael J. Marmura, MD, all of the Department of Neurology, Jefferson Headache Center, Thomas Jefferson University Hospital.

Users Review

From reader reviews:

Terry Tyrrell:

Book is to be different for each and every grade. Book for children till adult are different content. We all know that that book is very important for people. The book Jefferson Headache Manual seemed to be making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The publication Jefferson Headache Manual is not only giving you much more new information but also to be your friend when you really feel bored. You can spend your own spend time to read your e-book. Try to make relationship using the book Jefferson Headache Manual. You never experience lose out for everything in the event you read some books.

Sue Eldred:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you will have done when you have spare time, in that case why you don't try issue that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Jefferson Headache Manual, you may enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't understand it, oh come on its called reading friends.

Sylvia Medina:

Your reading 6th sense will not betray anyone, why because this Jefferson Headache Manual e-book written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written within good manner for you, still dripping wet every ideas and composing skill only for

eliminate your hunger then you still hesitation Jefferson Headache Manual as good book not only by the cover but also with the content. This is one reserve that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.

Peter Landon:

Are you kind of hectic person, only have 10 as well as 15 minute in your time to upgrading your mind talent or thinking skill also analytical thinking? Then you have problem with the book as compared to can satisfy your short space of time to read it because this time you only find e-book that need more time to be learn. Jefferson Headache Manual can be your answer given it can be read by anyone who have those short extra time problems.
