Editorial Review

Review

"Dharma successfully captures the mood and majesty of a rich and ancient epic and, in the process, does full justice to the critical elements of the complex story? A well-wrought saga that will be appreciated by Western readers and admirably serve to introduce a new generation to the rich spiritual, cultural, and historic legacy of India. Highly recommended." -- *The Midwest Book Review, October 1999*

"Rarely, if ever, has an ancient epic received such modern Blockbuster treatment? The narrative moves effortlessly, often as racy as a thriller, without compromising the elevated style and diction. The visual imagery is every bit as impressive as anything achieved in the cinematic editions." -- *Mahesh Nair, IndiaToday, October 1999*

"When I dove into the Mahabharata, I expected something along the lines of a dry Arabian Knights, but what I got was something else! Once I began to read, I just could not tear my mind away from the book. Even as I write this, my mind lingers on the glorious spiritual Indian mythology captured on its pages. If you are looking for a cross between Arthurian legends and cultural epic spiked with romance, and overarching spiritual guidance, Mahabharata is for you. Aside from the wonderful magical tales, the novel is an ancient authority on karma, reincarnation, and yoga." -- *Rachel Styer, Magical Blend Magazine, January 2000*

From the Publisher

One of the oldest and most cherished of all Indian classics, filled with deep spiritual wisdom, it is the story of five heroic brothers who were destined to rule a vast kingdom.

Users Review

From reader reviews:

Leon Moses:

Throughout other case, little men and women like to read book Mahabharata: The Greatest Spiritual Epic of All Time. You can choose the best book if you like reading a book.
