### **Moosewood Restaurant Cooks for a Crowd: Recipes with a Vegetarian Emphasis for 24 or More** By The Moosewood Collective

Since 1973 Moosewood Restaurant, in Ithaca, New York, has been famous for its innovative vegetarian cooking. Throughout the years, the restaurant has been at the forefront of a movement that has had a profound impact on the American diet. Gone are the days when the phrase "I don't eat meat" brought a grimace from host or hostess and quizzical stares from fellow guests--vegetarian cooking is no longer a novelty.

Vegetarian dishes are now a must at large social gatherings and catered events, and often a mainstay of menus at restaurants and institutions. Vegetarian cooks are increasingly called upon to produce favorite vegetarian fare in quantity. But the cooks at Moosewood Restaurant know that you can't always expand a recipe simply by multiplying the amount of each ingredient by six.

Moosewood Restaurant Cooks for a Crowd is the first vegetarian cookbook and menu-planning guide designed exclusively for quantity cooking. Each of its 250 recipes has been prepared in the Moosewood kitchen and savored in the Moosewood dining room.

Whether you're entertaining in your home, planning a catered affair, or developing the menu for a large-scale restaurant, this groundbreaking cookbook will inspire anyone who enjoys cooking imaginative vegetarian meals for a crowd.

### Editorial Review

From Publishers Weekly

So your daughter's coming home from college and bringing the entire crew team?and they're all vegetarians. What you need are 24 11-oz. servings of Rumpstedthumps. This casserole of potato, cabbage, broccoli and leek (spiced with nutmeg and horseradish) is just one of the dishes?okay, vats?offered by members of Ithaca, N.Y.'s, Moosewood Collective (Sundays at Moosewood Restaurant, etc.) in a book they hope will be "useful to foodservices of all sizes-from a small catering firm to a large, institutional facility." While a large, institutional refrigerator may be needed by home cooks looking to store, for example, the six quarts of cubed eggplant for Eggplant-Spinach Curry, the 300-plus recipes are mainly vintage Moosewood: clear, easy (at least when converted to smaller amounts) and tasty. Additional offerings include tips for purchasing in volume, an ingredient glossary and conversion charts following each recipe giving nutritional information per serving. With chapters on Soups, Legumes, Pasta, Sauces and Salsas, Stuffed Vegetables and more, the Collective is ready for even the hungriest herd of vegans. For larger schools of less tightly defined vegetarians, there's also a section on fish.

From Library Journal

Here are more than 300 new, mostly vegetarian recipes from the much-loved restaurant in Ithaca, New York (previous books featuring the restaurant include *Sundays at Moosewood Restaurant*, LJ 9/15/90, as well as Mollie Katzen's two Moosewood cookbooks). Most are simple and appealing, but the book is really directed to chefs and other food service professionals, with the "crowd" of the title more likely to be restaurant patrons than a big gathering at home. Entrees serve at least 24; the soup recipes make 50 portions; sauces and dressings often yield two to five quarts-and converting these to smaller quantities is not always easy. The recipe instructions are abbreviated, assuming a cooking background on the part of the reader. Dedicated Moosewood fans will be interested, but the book's usefulness for home cooks is limited.

From [Booklist](#)

The restaurant collective that brought vegetarianism to general awareness with *The Moosewood Cookbook* now offers help for large families, for entertaining, or for cooks who hoard quantities for a cold winter's night. The more than 300 recipes are both structured and written differently than those for conventional meals; each recipe includes ingredients by volume and weight and instructions rendered in chartlike format. Creativity is streamlined for large quantities. *Barbara Jacobs*

### Users Review

**From reader reviews:**

**Anna Wright:**

The book Moosewood Restaurant Cooks for a Crowd: Recipes with a Vegetarian Emphasis for 24 or More give you a sense of feeling enjoy for your spare time.
