Pros and Cons: A Debaters Handbook From Trevor Sather

Pros and Cons: A Debaters Handbook offers a unique and invaluable guide to the arguments both for and against over 140 current controversies and global issues. Since it was first published in 1896 the handbook has been regularly updated and this nineteenth edition includes new entries on topics such as the right to possess nuclear weapons, the bailing out of failing industries, the protection of indigenous languages and the torture of suspected terrorists.

Equal coverage is given to both sides of each debate in a dual column format which allows for easy comparison. Each entry also includes a list of related topics and suggestions for possible motions.

The introductory essay describes debating technique, covering the rules, structure and type of debate, and offering tips on how to become a successful speaker. The book is then divided into eight thematic sections, where specific subjects are covered individually.

Editorial Review

About the Author

The English-Speaking Union [ESU] builds bridges between people and nations through the use of the English language. Its debate and public speaking competitions are amongst the most prestigious and the longest running in the debate calendar. ESU mentors also tour the world to coach and advise debate students of all ages. The ESU's path-finding speech and debate work is coupled with a worldwide programme of cross-generational education scholarships which places the English-Speaking Union in the van of thinkers, deliverers and facilitators in creating life-changing educational opportunities for people whatever their age and social background.

Users Review

From reader reviews:

Ryan Mendoza:

In this 21st century, people become competitive in every way. By being competitive today, people have to do something to make themselves survive, being in the middle of typically the crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated for a while is reading. Yep, by reading a book your ability to survive rises then having a chance to stand out is high. In your case who wants to start reading a new book, we give you this Pros and Cons: A Debaters Handbook book as nice and daily reading e-book. Why, because this book is more than just a book.

Alicia Mendes:

Do you have something that you enjoy such as a book? The e-book lovers usually prefer to choose a book like a comic, a quick story and the biggest one is a novel. Now, why not attempt Pros and Cons: A Debaters Handbook that gives your enjoyment preference will be satisfied through reading this book. Reading practice all over the world can be said as the opportunity for people to know the world much better than how they react in the direction of the world. It can't be stated constantly that reading is routine only for the geeky particular person but for all of you who want to always be a success person. So, for all you who want to start studying as your good habit, you can pick Pros and Cons: A Debaters Handbook to become your own starter.

Richard Rhone:

This Pros and Cons: A Debaters Handbook is a great guide for you because the content that is full of information for you who all always deal with the world and get to make a decision every minute. That book reveals its data accurately using great management words or we can point out no rambling sentences inside it. So if you are reading the item hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Pros and Cons: A Debaters Handbook in your hand like obtaining the world in your arm, information in it is not a ridiculous one. We can

say that no guide that offer you world with ten or fifteen tiny right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt which?

Jesus Allgood:

What is your hobby? Have you heard that question when you got college students? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you also know that little person including reading or as studying become their hobby. You have to know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your teacher or lecturer. You discover good news or update concerning something by book. Different categories of books that can you go onto be your object. One of them is this Pros and Cons: A Debaters Handbook.
