The Corsican Caper By Peter Mayle

When billionaire Francis Reboul finds himself on the wrong side of a Russian tycoon, he's fortunate to have vacationing friends Sam Levitt and Elena Morales on hand to help him out. Now it's up to Sam—who's saved Reboul's neck before—to negotiate with an underworld of mercenaries, hit men, and Mafioso, to prevent his friend from becoming a victim of "Russian diplomacy." As usual, Sam and Elena still find time to enjoy the good life, but as Sam's sleuthing draws him closer to the truth, he realizes Reboul might not be the only one in trouble. Rich with clever twists, sparkling scenery, and mouthwatering gustatory interludes as only Peter Mayle can write them, *The Corsican Caper* is an adventure *par excellence*.

The Russians Are Coming, The Russians Are Coming! could be an alternate title for this third in Mayle's Provence caper series. An uncouth Russian capitalist, Oleg Vronsky has a history of getting what he wants, which often requires those standing in his way disappearing in the process. But Vronsky can't obtain what he wants most: the ocean villa of Francis Reboul, the refined billionaire who has figured in other Caper mysteries. Fortunately, Reboul's friend Sam Levitt arrives for a visit just in time to set in motion his own investigation into Vronsky. What floats this novel are the bubbles from the champagne that always seems to be chilled and waiting, along with Mayle's usual airy descriptions of French wines and meals. The caper is a little light on plot, and Mayle doesn't brief new readers about Sam Levitt (a former lawyer, wine connoisseur, and sleuth). Also, for Mayle, the meal and scenery descriptions are fairly thin this time. Still, fans of the series will stick around for the ambience, even though much of it comes from Levitt's girlfriend reading aloud from a guidebook. --Connie Fletcher
