### I'm In No Mood For Love (Writer Friends Book 2) By Rachel Gibson

What is Clare Wingate doing? One minute she's suffering in a pretty-in-pink gown she'll never wear again, and the next thing she knows it's morning . . . and she has the nastiest hangover of her life.

To make matters worse, she's wearing nothing but a spritz of Escada and lying next to Sebastian Vaughan . . . her girlhood crush turned sexy, globe-hopping journalist. Somewhere between the toast and the toss of the bouquet she'd gotten herself into a whole lot of trouble.

Clare had the right to go wild—after all, she'd been knocked off her dyed-to-match shoes after finding her own fiancé in a compromising position with the washing machine repairman. Clearly her society wedding is off.

But Sebastian pushed all the wrong buttons—and some of the right ones, too. Clare is in no mood for love—not even for lust—and wants to forget about Sebastian and his six-pack abs ASAP. But he isn't in the mood to go away, and his kiss is impossible to forget.

### Editorial Review

From Publishers Weekly

In this uninspired follow up to *Sex, Lies and Online Dating*, Gibson layers cliché upon cliché and tops her confection with a heavy frosting of exposition. The result is a tale more sickly than sweet, filled with characters as lively as the figurines atop a wedding cake. The heroine, romance writer Clare Wingate, is your typical good girl who's itching to go bad, and globe-trotting reporter Sebastian Vaughan, a man's man who hates to see a woman cry (almost as much as he hates shopping), is the one person who can draw out her naughty side. Readers may detect a whiff of romantic tension after a less-than-shocking revelation-involving Clare's fiancé Lonny, who's got a thing for pastels and a skill for flower arranging-leads a distraught Clare to a drunken encounter with Sebastian. But once Lonny is out of the picture, and commitment-phobic Sebastian agrees to become Clare's friend-with-benefits, the story spins its wheels waiting for Sebastian to realize his true feelings for Clare.

How's this for a bad day? You come across your fiance and the Sears repairman in the act, stand up in a friend's wedding with a smile plastered on your face, get smashed at the hotel bar, and wake up virtually naked with, not a stranger, but with your old childhood nemesis exiting the shower. Romance writer Clare Wingate is shocked and humiliated and can't remember a thing, and Sebastian Vaughan doesn't bother to enlighten her. But he's back in Boise, and now they can't help running into each other. He finds it ironic that she writes romances, and she finds his -commitment-free lifestyle a joke. But there's just something about him that makes her delude herself into thinking she can handle his suggestion of a friends-with-benefits relationship. Gibson's all-around great story has everything: excellent characters, amusing wit, and a real, believable romance. Gibson exceeds expectations with this terrific tale. *Maria Hatton*

About the Author

Rachel Gibson began her fiction career at age sixteen, when she ran her car into the side of a hill, retrieved the bumper, and drove to a parking lot, where she strategically scattered the car's broken glass all about. She told her parents she'd been the victim of a hit-and-run and they believed her. She's been making up stories ever since, although she gets paid better for them nowadays.
