## Money Chords: A Songwriter's Sourcebook of Popular Chord Progressions By Richard Scott

Money Chords is a comprehensive reference book of popular chord progressions. It identifies the eighty most popular chord progressions that have been used time and again to write hit songs and twelve tools to create them. The book is the result of the compilation and analysis of a representative sampling of over two thousand popular chord progressions that took several years to compile. Chord progressions are categorized both chronologically and by progression type. Chronological listings identify progression types common to a specific time period and the evolution of various progression types. Progression type listings compare how the best songwriters and performers have utilized similar chord progressions. Money Chords is intended to be a songwriters tool box to help stimulate the creation of many more great songs in the new millenium.
