The Dark Side of Night (H.O.T. Watch) By Cindy Dees

Kinsey Hollingsworth's tropical-getaway plans didn't include dodging gunshots. Or a speedboat chase with Mitch Perovski, the tall and tempting spy who'd commandeered her boat. But the socialite would handle anything Mitch demanded—whether it meant going undercover or under the covers.

Mitch didn't work with partners. And although Kinsey proved she was more than a pampered heiress, she was no match for the assassin targeting them...or for Mitch's smoldering desire. He had to get through this one high-stakes task with her. But after a night in Kinsey's arms, could he walk away from their partnership for good?
