*Bronze Medalist: 2015 Readers' Favorite Book Awards*

*Finalist: 2015 Independent Author Network Book of the Year Awards*

## THE GODS ARE BACK. DID YOU MYTH THEM?

You probably saw the press conference. Nine months ago, Zeus's murder catapulted the Greek gods back into our world. Now they revel in their new temples, casinos, and media empires - well, all except Apollo. A compulsive overachiever with a bursting portfolio of godly duties, the amount of email alone that he receives from rapacious mortals turns each of his days into a living hell.

Yet there may be hope, if only he can return Zeus to life! With the aid of Thalia, the muse of comedy and science fiction, Apollo will risk his very godhood to help sarcastic TV producer Tracy Wallace and a gamer-geek named Leif - two mortals who hold the key to Zeus's resurrection. (Well, probably. Prophecies are tricky buggers.)

Soon an overflowing inbox will be the least of Apollo's troubles. Whoever murdered Zeus will certainly kill again to prevent his return, and avoiding them would be far easier if Apollo could possibly figure out who they are.

Even worse, the muse is starting to get *cranky*.

Discover a world where reality TV heroes slay actual monsters and the gods have their own Twitter feeds: ***Zeus Is Dead: A Monstrously Inconvenient Adventure!***

*Grab the comedic fantasy that reviewers are comparing to the work of Neil Gaiman and Terry Pratchett!*

### Editorial Review

#### Review

"*Zeus Is Dead* is full of laugh-out-loud moments, lashings of sly wit, moan-worthy puns, and a complex, fast-paced storyline. There aren't very many humorous fantasy murder mysteries out there, especially not as intricately constructed as this one. Michael G. Munz takes a 'What if,' and runs with it like a toddler with Mom's smart phone. The guffaw-worthy throwaway bits (stay tuned for the battle sundae) will remind you of Douglas Adams. A very enjoyable read."

**-Jody Lynn Nye, author of *View from the Imperium* and co-author of the *Myth Adventures of Aahz and Skeeve***

"Not since the people of Atlantis predicted 'low humidity' has there been such an original twist in Greek Mythology. This book is also far more amusing."

**-Brian Rathbone, creator of the bestselling *Godsland Fantasy Series***

"I have not enjoyed a tongue-in-cheek comedy book this much in a long, long time."

**-*Abyss & Apex Magazine***

"A hilarious mythological tale of god-like proportions. Munz has crafted a tale of bizarro comic fantasy that sits comfortably among the ilk of Gaiman and Pratchett."

**-Andrew Buckley, author of *Death, the Devil, and the Goldfish***

"Delivering us from a sea of endlessly morose and self-important supernatural fiction, *Zeus Is Dead* understands that Greek mythology is more than a little bit insane and--rather than ignore the unseemly aspects--embraces them with the appropriate level of snark and style. Munz's tale echoes the bureaucratic insanity of Douglas Adams's creations, the banter of Grant and Naylor's *Red Dwarf*, and the cynicism of Ben Croshaw in order to bring us a clever, hilarious tale of adventure and grudging heroism."

**-Jonathan Charles Bruce, author of *Project Northwoods***

#### About the Author

An award-winning writer of speculative fiction, **Michael G. Munz** is also fascinated with Greek mythology. Michael also possesses what most "normal" people would likely deem far too much familiarity with a wide range of geek culture, though he prefers the term geek-bard: a jack of all geek-trades, but master of none. Or mostly none. There are exceptions. He dwells in Seattle where he continues his quest to write the most entertaining novel known to humankind and find a really fantastic clam linguini. Find out more about him at [michaelmunz.com](http://michaelmunz.com).

### Users Review

#### From reader reviews:

#### Christopher Milbrandt:

Book is usually written, printed, or outlined for everything. You can realize everything you want by a reserve. Book has a different type.
