A Good and Happy Child: A Novel By Justin Evans

A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a Washington Post best book of 2007.

Thirty-year-old George Davies can't bring himself to hold his newborn son. After months of accepting his lame excuses and strange behavior, his wife has had enough. She demands that he see a therapist, and George, desperate to save his unraveling marriage and redeem himself as a father and husband, reluctantly agrees.

As he delves into his childhood memories, he begins to recall things he hasn't thought of in twenty years. Events, people, and strange situations come rushing back. The odd, rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father's death. A boy who appeared one night when George was lonely, then told him secrets he didn't want to know. How no one believed this new friend was real and that he was responsible for the bad things that were happening.

Terrified by all that he has forgotten, George struggles to remember what really happened in the months following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child's overactive imagination? Or were his father's colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George's suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself--and his young family.

A psychological thriller in the tradition of Donna Tartt's *The Secret History*--with shades of *The Exorcist*--*A Good and Happy Child* leaves you questioning the things you remember and frightened of the things you've forgotten.

"Beautifully written and perfectly structured. . . . This novel is much more than *The Omen* for the latte generation, and Evans cleverly subverts expectations at every turn." --Washington Post

“[A] satisfying, suspenseful first novel. . . . Young George’s intriguing story unbalances the reader right up to the book’s deliciously chilling end.”

—People

“A scary, grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*. . . . Combine[s] mind-bending storytelling with excellent prose.”

—Portland Tribune

“Think *Rosemary’s Baby*—plus . . . told in the kind of prose that mesmerizes, sweeping the reader along so fast that there’s no time to ask questions.”

—Hartford Courant

“[A] dazzling debut . . . part psychological thriller, part horror story.”

—Chicago Tribune

“Relat[es] his otherworldly suspense story with the cool, calm eye of a skeptic.”

—Entertainment Weekly (A—)

Editorial Review

From Publishers Weekly

Starred Review. This stunning novel marks the debut of a serious talent. Evans manages to take a familiar concept—the young child haunted by a demon invisible to others—and infuse it with psychological depth and riveting suspense. The setting alternates between George Davies's difficult childhood in Preston, Va., a small college town, after his father Paul's untimely death, and his equally challenging life as an adult and new father in New York City. Ostracized by his classmates and emotionally isolated by his mother, a struggling academic, young George begins to be visited by a doppelgänger, who, like the ghost of Hamlet's father, intimates that foul play was involved in Paul's death. When those visitations lead to violence, George begins receiving psychiatric treatment. Meanwhile, some of his late father's colleagues claim that demonic possession is a reality. Evans subtly evokes terror and anxiety with effective understatement. The intelligence and humanity of this thriller should help launch it onto bestseller lists. (*May*)

From [Booklist](#)

Perched precariously on the precipice between horror and psychological drama, Evans' first novel explores the notions of demons--how real they are and how real we are able to make them. Eleven-year-old George Davies' father, a self-purported mystic and studier of demonology, dies a mysterious death after traveling to Honduras for equally mysterious purposes. Soon after, George is visited by a "Friend" that only he can see, who leads him on thrilling yet terrifying journeys to a shadowy ether-world, pulling him ever closer to a dangerous awareness of his father's death (the cornucopia of fatherhood issues emanating here would make Freud's head wobble). Is the boy really possessed, or simply crazy? And which is better? Evans deftly marks the labyrinthine wards of clinical treatment in stark contrast with scenes of floor-dropping exorcisms as the boy becomes ever more volatile and his Friend ever more diabolical. This is an edgy, compelling read--more unnerving than scary--that will slide its hooks deep inside and throttle you more than a few times before it's all over. *Ian Chipman*

Review

“Evans exorcises the demons of adolescence in his smart psychological thriller.”

—*Vogue*

“[A] satisfying, suspenseful first novel. . . . Young George’s intriguing story unbalances the reader right up to the book’s deliciously chilling end.”

—*People*

“A psychological thriller that keeps the reader on edge until the last page. . . . A haunting story.”

—*Kirkus Reviews* (starred review)

“This stunning novel marks the debut of a serious talent. Evans manages to take a familiar concept and infuse it with psychological depth and riveting suspense. . . . Evans subtly evokes terror and anxiety with effective understatement. The intelligence and humanity of this thriller should help launch it onto bestseller lists.”

—*Publishers Weekly* (starred review)

“This debut novel grips readers from the first chapter. . . . Evans delivers a creepy and entertaining story full

of perfectly written characters.”

—*Library Journal* (starred review)

“This is an edgy, compelling read—more unnerving than scary—that will slide its hooks deep inside and throttle you more than a few times before it’s all over.”

—*Booklist*

“*A Good and Happy Child* is a rare achievement—a literary horror story that’s deeply intelligent, beautifully written, and seriously chilling. If Justin Evans’s provocative and creepy first novel doesn’t keep you awake at night, you must be taking some pretty strong medication.”

—Tom Perrotta, author of *Little Children*

“Relating his otherworldly suspense story with the cool, calm eye of a skeptic, Evans makes the propulsive final chapter all the more horrifying.”

—*Entertainment Weekly*

“*A Good and Happy Child* unsettles the imagination with its twisting path into a private hell. Evans’s story tingles with psychological suspense as it explores the subterranean world where faith meets fear, reminding us how hard it is to rid ourselves of our demons.”

—Keith Donohue, author of *The Stolen Child*

“Everyone has a little demon inside them. And some darkness. But it’s the revelation that makes *A Good and Happy Child* so incredibly scary and unnerving. Man, did this get under my skin in the very best way. Get ready to face your demon.”

—Brad Meltzer, author of *The Book of Fate*

“Don’t be surprised if you find yourself sleeping with the lights on.”

—*Parade*

“A scary, grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*.”

—*Portland Tribune*

“A first novel about which there is a justified buzz, its entertaining malevolence reminiscent of another fat first book, Donna Tartt’s *The Secret History*.”

—*Houston Chronicle*

“Think ‘Rosemary’s Baby’-plus . . . told in the kind of prose that mesmerizes.”

—*Harford Courant*

“Beautifully written and perfectly structured. The result is a literary thriller of the first order.”

—*Washington Post*

“[A] dazzling debut.”

—*Chicago Tribune*

From the Hardcover edition.
